David Dichinghooke, un ragazzo di ventidue anni, torna a casa dopo una lunga giornata trascorsa a solcare i mari con il suo peschereccio, per vendere la merce nelle fitte reti commerciali di Kingston. Le cose, però, non vanno come previsto. infatti, quando il ragazzo fa ritorno a casa, i suoi amici gli danno quella notizia che sconvolgerà tutta la sua vita. Quella che sembrava essere una normale vita da pescatore, si trasformerà in una crudele esistenza. Si ritroverà a vagare per i mari sotto i colori di diverse Jolly Roger, affronterà dolorose battaglie e salperà per luoghi mistici. Soprattutto, dovrà dare tutto se stesso per proteggere la sua vita e quella delle persone a lui care, e dovrà impegnarsi per scoprire la verità che si cela dietro la sua esistenza.

John Kennedy Jr.'s creative director for George magazine presents "a vivid portrait of JFK Jr. that only a select few have ever seen, offering a touching and honest tribute to John's legacy" (BookReporter.com). If George magazine was about "not just politics as usual," a day at the office with John F. Kennedy Jr. was not just business as usual. John handpicked Creative Director Matt Berman to bring his vision for a new political magazine to life. Through marathon nights leading up to George's launch; extraordinary meetings with celebrities including Barbra Streisand, Robert De Niro, and Demi Moore; and jokes at each other's expense, Matt developed a wonderfully collaborative and fun-loving relationship with America's favorite son. They were an unlikely team: the poised, charismatic scion of a beloved political family and the shy, self-deprecating, artistic kid. Yet they became close friends and confidants. In this warm, funny, and intimate book, Matt remembers his brilliant friend and colleague—John's approach to work, life, and fame, and most of all, his ease and grace, which charmed those around him. More than any book before it, JFK Jr., George, & Me reveals the friendly, witty, down-to-earth guy the paparazzi could never capture. Matt opens the doors of John's messy office to share previously untold stories, personal notes, and never-before-seen photos from the trenches of a startup magazine that was the brainchild of a superstar. John helped Matt navigate a world filled with celebrities, artists, beauty, style, competition, and stunningly tender egos. In turn, Matt shares the invaluable lessons about business and life that he learned from John. What emerges is a portrait of JFK Jr. as a true friend and mentor.

Twenty-five-year-old Jack Sparrow is a clean-cut merchant seaman pursuing a legitimate career as a first mate for the East India Trading Company. He sometimes thinks back to his boyhood pirating days, but he doesn't miss Teague's scrutiny or the constant threat of the noose. Besides, he doesn't have much choice—he broke the Code when he freed a friend who had been accused of rogue piracy, and he can no longer show his face in Shipwreck Cove. When Jack's ship is attacked by pirates and his captain dies in the altercation, he suddenly finds himself in command.

Ricorrendo a esempi tratti dalla mitologia, Willy Pasini, tratteggia una storia della seduzione per dimostrare come ne esistano una «buona» e una «cattiva», fine a se stessa, il cui unico scopo è catturare una preda senza curarsi dei suoi sentimenti e desideri.

Still on a mission to find the legendary Sword of Cortâes, the crew of the Barnacle becomes entranced by an ethereal song that pulls them away from their mission, leaving Captain Jack Sparrow to find the source behind the dark spell.

Based on the upcoming Walt Disney Studios' film, Pirates of the Caribbean: Dead Men Tell No Tales, this middle grade novel features the untold backstory of the breakout heroine, Carina Smyth. Follow Carina's adventures, as well as her passion for astronomy, as she uncovers one of the biggest mysteries of the Caribbean.

Politica, cultura, economia.

Captain Jack feels the winds of ill-fortune blowing strongly his way when deadly ghost sailors, led by the terrifying Captain Salazar, escape from the Devil's Triangle bent on killing every pirate at sea—notably Jack. Jack's only hope of survival lies in the legendary Trident of Poseidon, but to find it he must forge an uneasy alliance with Carina Smyth, a brilliant and beautiful astronomer, and Henry, a headstrong young sailor in the Royal Navy… Fans excited for this new voyage will love the graphic novel adaptation of Disney Pirates of the Caribbean: Dead Men Tell No Tales drawn by Disney's own master artists.
