Receiving a sealed bottle with a years-old plea for help by two young victims imprisoned in a boathouse by the sea, Detective Carl Mørck follows leads to a desperate woman trapped in a brutal marriage to a man who keeps her in isolation and hides deadly secrets. By the award-winning author of The Absent One.

Receiving a sealed bottle with a years-old plea for help by two young victims imprisoned in a boathouse by the sea, Detective Carl Morck follows leads to a desperate woman trapped in a brutal marriage to a man who keeps her in isolation and hides deadly secrets.

Before there were worshippers of Jesus, there were followers of Jesus. Before there were organized churches with creeds and doctrines, there were small communities of love, equality, and sharing dedicated to the practice of Jesus' teachings and committed to a wholly new way of living. Today, the churches of the Global North are in decline and younger generations no longer seek meaning there. Traditional "church Christianity" is gradually giving way to some new way of faithful living. From a Nazi prison cell, German pastor Dietrich Bonhoeffer imagined a future "religionless Christianity" consisting of contemplative prayer and righteous action in the secular world. A Conspiracy of Love presents the contours of such a faith based on the "way" of Jesus. It calls us to become troublemakers, revolutionaries, seekers of change, and agents of transformation engaged in conspiracies of love to establish justice and peace in a postmodern world. It offers many different people--those who remain in the church, those who have left, and those who have never ventured near--with a life of faith that is meaningful, intelligent, and passionate.

Conspiracy or Faith, is something that has troubled me for the past 30 years, I have wondered often, what it meant to be in faith, I have watched many things happen for others, that seemed like a slammed door in my face, I watched a full church of people one night be healed, and all of them tossed their medications in the trash, when I did likewise, I nearly died, Conspiracy or faith, even now, is a great mystery, however, through study of the word of God, the applications to my life that I am now finding, Yes, things are changing for my life for the better. You will never know the truth, unless you are seeking the truth, what I am finding out is that, Too many Churches, teach the values of the conspiracy over the values of faith, then when the people hear about the values of faith, they get angry, call the teacher a liar, and other cold hearted names. But if the truth is told, and I am one of the many that is going to tell it, you should want the truth over the lie, I saw in a movie once, where the man punched another man two times, first time was for hurting his feelings, the second one was because he stood on the values of the truth, which was what hurt his feelings, needless to say, the truth hurts. Conspiracy or Faith, is a writing that attacks the values of where we need to be standing in our lives, John 10:10 talks about it very clearly, and in this book, this verse is talked about a lot, why, because that is a value of our faith that we really need to fully understand, simply put, either we are going to live by faith, and then live with God forever, or, we are going to accept the cases of the conspiracy, and live with the devil forever.

An outsider in eighteenth-century London, Jewish pugilist and hired thug Benjamin Weaver prowls the city's mean streets in the service of England's gentry tracking down debtors and thieves, until the "accidental" death of his wealthy estranged father draws him into a dark conspiracy controlled by powerful men in the world of British finance. Reader's Guide included. Reprint. 45,000 first printing.

The Divine Conspiracy has revolutionized how we think about the true meaning of discipleship. In this classic, one of the most brilliant Christian thinkers of our times and author of the acclaimed The Spirit of Disciplines, Dallas Willard, skillfully weaves together biblical teaching, popular culture, science, scholarship, and spiritual practice, revealing what it means to "apprentice" ourselves to Jesus. Using Jesus ' s Sermon of the Mount as his foundation, Willard masterfully explores life-changing ways to experience and be guided by God on a daily basis, resulting in a more authentic and dynamic faith.

A Simon & Schuster eBook. Simon & Schuster has a great book for every reader.

In this stunning prequel to his critically acclaimed Inspector Erlendur series, Arnaldur Indridason gives devoted fans a glimpse of Erlendur as a young, budding detective. The beat on the streets in Reykjavik is busy: traffic accidents, theft, domestic violence, contraband ... And an unexplained death. When a tramp he met regularly on the night shift is found drowned in a ditch, no one seems to care. But his fate haunts Erlendur and drags him inexorably into the strange and dark underworld of the city. The writer whose work The New York Times describes as "having the sweep and consequence of epic story telling" has outdone himself in this multi-layered and masterful suspense story. His latest book in the series, Strange Shores, was nominated for the 2014 Crime Writers of America Gold Dagger Award.
