Preparing for Your ACS Examination  
in Organic Chemistry: The Official  
Guide (commonly called the Organic  
Chemistry Study Guide) This guide is  
the newest update to our suite of  
study materials. A second edition was  
released in early 2020 with over 240  
pages and over 600 unique problems.  
The guide is organized similarly to the  
general chemistry guide with a clear  
separation of first-term and second-  
term material.

It was difficult for me to use it as a study guide due to pen marks. However this is extremely similar to the real ACS exam. If you need to review Organic 1 as well as the material from Organic 2 this is the best study guide. Stay away from purchasing a used study guide to avoid what happened to me.

I bought the ACS book, but would like to have some kind of sample exam or anything close relating to their style of exams. I ask this because I already took the ACS General Chemistry example, and i felt the study book was completely different from the actual exam that I took. I really need to score high about the 80th percentile.

Practice Questions Practice makes perfect! Detailed Answer

Explanations Figure out where you went wrong and how to improve!

Studying can be hard. We get it.

That's why we created this guide with these great features and benefits:

**Comprehensive Review:** Each section

of the test has a comprehensive

review created by Test Prep Books

that goes into detail to cover all of the content likely to appear on the test.

**Practice Test Questions:** We want to

give you the best practice you can

find. That's why the Test Prep Books

practice questions are as close as you

can get to the actual ACS General

Chemistry test. **Answer Explanations:**

Every single problem is followed by

an answer explanation. We know it's

frustrating to miss a question and not

# Download Free Acs Organic Chemistry Study

Understand why. The answer explanations will help you learn from your mistakes. That way, you can avoid missing it again in the future.

**Test-Taking Strategies:** A test taker has to understand the material that is being covered and be familiar with the latest test taking strategies. These strategies are necessary to properly use the time provided. They also help test takers complete the test without making any errors. Test Prep Books has provided the top test-taking tips.

**Customer Service:** We love taking care of our test takers. We make sure that you interact with a real human being when you email your comments or concerns. Anyone planning to take this exam should take advantage of this Test Prep Books study guide.
