This handbook for administrative assistants and secretaries covers such topics as telephone usage, keeping accurate records, making travel arrangements, e-mail, using the Internet, business documents, and language usage.

This comprehensive but compact guide sets the standard for any secretary or administrative assistant who wants to be perceived as a skilled professional. It is written in down-to-earth language and organized for easy reference. Topics include daily duties, recordkeeping, overview of word processing, databases, spreadsheets, and communications, etc.

This new edition of *The Definitive Personal Assistant and Secretarial Handbook* is the ultimate guide for all management assistants, PAs, secretaries and executive assistants. Placing special emphasis on career development, it provides help and advice on the skills necessary to progress in your career. Along with a chapter to share with your boss for a more fruitful working relationship, it includes help with time management, networking, relationship management, communication and confidence. Now with a new chapter which provides important advice on social networking as an alternative communication tool, it also contains even more practical help with minute taking. With free downloadable online resources to aid the day-to-day running of your office, this comprehensive and accessible guide will help you keep your finger on the pulse and maintain your professional image.

From best-selling author and expert Sue France, *The Definitive Executive Assistant & Managerial Handbook* is the ultimate guide for anyone who wants to take their career development to the next level. Placing special emphasis on personal leadership development as well as practical skills, you will learn how to manage a small team, climb the career ladder to gain more responsibility, negotiate effectively and confidently manage a project. It will teach you how to recruit and induct staff, make decisions fairly and consistently, build a productive team and environment and get noticed at work. For ambitious Assistants who want to continually improve their skills, *The Definitive Executive & Managerial Handbook* is an indispensable guide, helping you to maintain your professional image and achieve resounding success.

Professionals looking to improve their performance--and enhance their value to employers--should turn to the fourth edition of *Administrative Assistants and Secretaries Handbook*.

Discusses time management, office space and equipment, human relations, productivity, communications, information sources, and other subjects

An administrative professional's job requires a diverse range of abilities. From managing schedules, coordinating meetings, and fielding calls to planning events, deciphering legal documents, and creating PowerPoint presentations, today's administrative assistants are expected to effortlessly and efficiently juggle it all. Professionals looking to improve their performance--and enhance their value to employers--should turn to the fourth edition of *Administrative Assistant's and Secretary's Handbook*. With 250 pages of new or completely revised material, the handbook provides thorough, practical instruction on: Web conferencing • Creating graphics, charts, and presentations • Microsoft Office 2010 • Business math • Managing e-mail and schedules with Outlook • Organizing computer files • Research skills • Time management • Customer service skills • Troubleshooting computer problems • Event planning • and much more. Administrative jobs are constantly changing, but with the latest edition of this best-selling guide, professionals everywhere can stay ahead of the curve.

Feed your boss's ego. Dress for success. And don't let your heels trip you up on the corporate ladder. Millions of women have held the position of secretary, alternately lauded as a breakthrough opportunity and excoriated as dead-end busy work. From the female pioneers who infiltrated Capitol Hill offices during the Civil War to today's tech-savvy administrative assistants, secretaries have withstood criticism for abandoning their rightful sphere (the home), weathered the dubious advice of secretarial guide-books, taken hits from feminists and antifeminists alike, and demanded the right to resist making coffee--all while making their bosses look good. In *Swimming in the Stone Pool*, author-secretary Lynn Peril profiles the various incarnations of the secretary, from pliable, sexy mate of the "office husband" to postfeminist executive-in-training, drawing inspiration from a wide range of "femorable" and secretarial guidebooks of yesteryear. Featuring an array of fabulous illustrations promoting office equipment and office girls alike, Peril delivers a feisty, witty celebration of the women who've been running the show for decades.

The new administrative assistant is a team member! Gone are the days of performing only the basic duties of typing and filing; now the assistant is a vital part of the every day business process.If you want to learn how to be exceptional and be a central part of a boss's work processes, this is the course for you. Learn the professional way to handle the basics -- calls, calendars, filing, time management, organization -- and also learn how to present yourself as a true professional -- demeanor, actions, skills, etc. Become the promotable key player you know you can be.This self-paced training course is in workbook format, and each lesson is followed with a quiz. Completion of all quizzes with at least an 80% passing grade entitles you to the included Certificate of Completion found at the back of this workbook.This training course workbook will also serve as an excellent reference manual for you on-the-job.If you are looking for this course in an online-classroom format instead, go here:<http://www.learnopia.com/course/AdminAsst/>

This best-selling classic has now been fully revised, expanded and updated. It has established itself over ten years and with three previous editions as the essential handbook for study and daily reference. *Medical Receptionists and Secretaries Handbook*, Fourth Edition contains vital information for all staff enabling them to work efficiently and effectively both within the NHS and private medical sectors. It encourages an understanding of the importance of administrative staff in providing high standards of patient care and promotes teamwork throughout the whole healthcare environment. No medical receptionist, secretary or healthcare administrator should be without it!
