Book offers what no other book or training program does – an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. All of Peachpit's eBooks contain the same content as the print edition. You will find a link in the last few pages of your eBook that directs you to the media files. Helpful tips: If you are able to search the book, search for "Where are the lesson files?" Go to the very last page of the book and scroll backwards. You will need a web-enabled device or computer in order to access the media files that accompany this ebook. Entering the URL supplied into a computer with web access will allow you to get to the files. Depending on your device, it is possible that your display settings will cut off part of the URL. To make sure this is not the case, try reducing your font size and turning your device to a landscape view. This should cause the full URL to appear.

Learn Photoshop CC with this DVD-and-book training package! Adobe Photoshop is the industry leading image-editing program for digital photographers, graphic designers, and web developers, and the newest version includes even more great tools to manage and enhance your images. Written by a team of experts, this book-and-DVD package delivers full-color, step-by-step instructions that make learning Photoshop easy to understand. You'll explore how to work with layers, use filters, and create images for web and video, and much more. The video training complements the book, allowing you to learn at your own pace, and, ultimately, enhancing your entire learning experience. • Encourages you to discover essential skills and explore new features and capabilities of Photoshop CC
