Çeda, now a Blade Maiden in service to the kings of Sharakhai, trains as one of their elite warriors, gleaning secrets even as they send her on covert missions to further their rule. Çeda could become the champion they've been waiting for, but the need to tread carefully has never been greater. After their recent defeat at the hands of the rebel Moonless Host, the kings are hungry for blood, scouring the city in their ruthless quest for revenge. Çeda's friend Emre and his new allies in the Moonless Host hope to take advantage of the unrest in Sharakhai, despite the danger of opposing the kings and their god-given powers, and the Maidens and their deadly ebon blades. When Çeda and Emre are drawn into a plot of the blood mage Hamzakiir, they learn a devastating secret that may very well shatter the power of the hated kings. But it may all be undone if Çeda cannot learn to navigate the shifting tides of power in Sharakhai and control the growing anger of the asirim that threatens to overwhelm her...

Captivating and action-packed, From Blood and Ash is a sexy, addictive, and unexpected fantasy perfect for fans of Sarah J. Maas and Laura Thalassa. A Maiden... Chosen from birth to usher in a new era, Poppy's life has never been her own. The life of the Maiden is solitary. Never to be touched. Never to be looked upon. Never to be spoken to. Never to experience pleasure. Waiting for the day of her Ascension, she would rather be with the guards, fighting back the evil that took her family, than preparing to be found worthy by the gods. But the choice has never been hers. A Duty... The entire kingdom's future rests on Poppy's shoulders, something she's not even quite sure she wants for herself. Because a Maiden has a heart. And a soul. And longing. And when Hawke, a golden-eyed guard honor bound to ensure her Ascension, enters her life, destiny and duty become tangled with desire and need. He incites her anger, makes her question everything she believes in, and tempts her with the forbidden. A Kingdom... Forsaken by the gods and feared by mortals, a fallen kingdom is rising once more, determined to take back what they believe is theirs through violence and vengeance. THREE COMPLETE BATTLETECH NOVELS FEATURING THE DEADLIEST FOE TO EVER INVADE THE INNER SPHERE...THE CLANS! In the late 28th century, the Star League collapsed, and the Five Successor States were born. For the

last three hundred years, these mortal enemies have fought over space, land, and politics, but now a new threat looms just outside the Inner Sphere. The descendants of an old Star League general—the Clans—have returned from their long-ago exile to take what they believe is rightly theirs. They have been bred into the best military force humanity has ever seen. The Clans have come to conquer, and the Successor States must put aside their differences—or face total destruction. **LETHAL HERITAGE** Two decades after the events that nearly brought the Successor States to the brink of all-out war, the Great Houses exist in an uneasy peace. But from out beyond the Periphery comes a new threat. A swift-moving military force of unknown origin, piloting BattleMechs unlike any seen before. Their power, speed, and ferocity are unparalleled. Nothing the Inner Sphere has can stop them. Some of the finest warriors and ablest units have challenged them and been crushed. No force has faced them and won. They are the Clans! A military juggernaut whose sole reason for existence is battle. A race that selectively breeds itself for combat. Humanity's only hope is an alliance of mortal enemies. The Federated Commonwealth and the Draconis Combine, interstellar empires at war for 300 years, must now stand side-by-side—or face certain annihilation. **BLOOD LEGACY** Since appearing in the Inner Sphere, the frenzied Clans have overwhelmed every planet they've invaded, brutally crushing any opposing force. Nothing the Great Houses have can stop them. Humanity's only hope—an alliance of mortal enemies—may be doomed. The Clan invaders have chosen their next objective—Luthien, capital of the Draconis Combine. House Kurita must now fight for survival on its homeworld. Hanse Davion is presented with a situation undreamed of...the final defeat of the Dragon itself. Should he attack his distracted foe and destroy the enemy his family has battled for over 300 years? Or should he reinforce a fellow House of the Inner Sphere against a force that Davion and the Federated Commonwealth might not otherwise defeat when their time comes? And even if the Houses should somehow agree to stand together against the Clan menace, another just as dangerous threat lurks within their midst. ComStar, the semi-mystic sect that controls interstellar communication, schemes to hurl House Davion, House Kurita, and the Clans into a devastating war that will leave ComStar in a position to dominate the Inner Sphere... **LOST DESTINY** Invaders from beyond the Periphery, the Clans have beaten the forces of the Inner Sphere repeatedly. Now the Clans are driving toward their ultimate objective—Terra, cradle of humankind, and hub of the ComStar communications network. Nothing the Inner Sphere has can stop them. Entire regiments of BattleMechs lie smashed in their wake. The heir to the throne of the Draconis Combine is missing. Rasalhague is overrun. The Clans are sweeping toward the center of the known universe in a relentless tide. Humanity's only hope is the Inner Sphere's most powerful traitor. ComStar betrayed the Inner Sphere by aiding the Clans in their conquests. Now the mystic sect that controls all interstellar communication must face the Clan hordes—alone. And a mysterious, elderly warrior—along with the untested warriors of ComStar—is the Inner Sphere's last defense against total defeat.
