[and] creative suggestions for activities, equipment, and resources.

Have you ever wondered why you're on the earth, what's your purpose, and how you can make a lasting impact for Christ? Do you want to live out your faith, but are not sure how to do so in your daily life? Have you ever thought that with your past and imperfections that God can't use you? You're not alone. We are all imperfect, and that's no surprise to God, who uses imperfect people in His perfect plan. God created each of us with a purpose to use our God-given stories, strengths and weaknesses to connect with others. God revealed why I am here on this earth. It's not to be perfect: it's to imperfectly live for Him, encouraging hearts and building bridges. Actually, building bridges is our corporate purpose as Christians... If we keep calm, despite feeling crazy or uncomfortable, God will use us to build bridges to hurting hearts. How will both Christians and non-Christians ever come to know about God's love, Jesus's sacrifice and the Holy Spirit's power, unless they encounter authentic, compassionate and imperfect living examples? How will people know Jesus loves them, despite their imperfections, unless the body of Christ tells and, more importantly, shows them? Building Bridges, the latest book from author Stephanie Fink, candidly provides practical principles and strategies to help Christians tear down walls and build bridges out to love and share the Gospel with all, especially those outside of the church walls. Steph encourages readers with seven powerful concepts centered around building strong bridges to others, such as forgiving each other for past mistakes, opening ourselves to being used by God and being the comforting support for those who desperately need to know God is alive, cares, and created him or her on purpose for a purpose.

"A captivating new series packed full of emotions, and a strong family bond." NYT & USA Today Bestselling Author Kaylee Ryan. Former soldier Logan Bridges never imagined he would go from serving his country to helping raise a house full of children after a devastating family loss. Dealing with his rowdy siblings and cousins proves to be almost as treacherous as the battlefields he left behind. And though he ' s committed to making it work, he soon finds he ' s in over his head. Until someone from Logan ' s past, steps in to help. Mollie has always been independent, but finds herself growing attached to the family, including Logan, and discovering there ' s more to life than working and solitude. Logan and Mollie quickly form a strong bond, and when attraction brings them closer, they agree getting involved wouldn ' t be good for the children. But when they both struggle to keep the blurry line of friendship between them, Mollie won ' t take that step unless Logan can open up and face his painful past. *** Bridges Brothers series follows four brothers as they attempt to navigate life and love after a tragic family loss. Each book can be read as a standalone but is more enjoyable read in order.

The journey to better grades starts here. Since writing and research is part of almost every college course, you need an accessible, easy-to-understand reference guide that can provide answers to the many grammar, writing, researching and documentation questions you ' ll have. The Longman Pocket Writer ' s Companion is an inexpensive, pocket-sized guide that answers all your writing questions and more. Offering a distinctive focus on writing for different audiences — academic, public, and workplace — this handbook enables you to communicate more effectively, while its superior support for writing across the curriculum and up-to-date documentation coverage will help you get better grades in all of your courses. Why You Need this New Edition A new Ten Serious Errors section helps you recognize and correct major errors that make it hard for readers to understand your writing, including fragments, run-ons, unnecessary commas, and more. A new chapter on Assessing Writing (Ch. 10) offers you strategies for seeing your own writing objectively as well as tips for anticipating how others might evaluate your work. A new chapter on Writing for General Education Courses (Ch. 8) helps you analyze your college assignments. You ' ll also find tips to help you with the most common writing tasks across the General Education curriculum (such as writing summaries, annotated bibliographies, and essay exams) helping you to write more effectively in all your courses. A new chapter on Writing in the Disciplines (Ch. 9) will help you write papers common in the majors (such as interpretations, textual and visual analyses, abstracts, lab reports, and researched reports) to set you up for success as your college career progresses. New documentation entries illustrate how to cite sources such as blogs and podcasts, genres so new that they aren ' t covered in many texts. New student sample pages in the CMS and CSE Style chapters (Chs 19, 20) ensure that you see sample student research writing in all four of the major academic documentation styles. New Source Samples in the MLA and APA Style chapters (Chs 17, 18) show you where in the original source you can find all the information you need for citation.

Describes how to select appropriate, non-stereotyped picture books about different ethnic groups, and suggests ways of using them to develop common ground in such areas as family life and physical activity

From the former New York Times Op-Ed page editor, a definitive and entertaining resource for writers of every stripe on the neglected art of persuasion. In the tradition of The Elements of Style comes Trish Hall ' s essential new work on writing well—a sparkling instructional guide to persuading (almost) anyone, on (nearly) anything. As the person in charge of the Op-Ed page for the New York Times, Hall spent years immersed in argument, passion, and trendsetting ideas—but also in tangled sentences, migraine-inducing jargon, and dull-as-dishwater writing. Drawing on her vast experience editing everyone from Nobel Prize winners and global strongmen (Putin) to first-time pundits (Angelina Jolie), Hall presents the ultimate guide to writing persuasively for students, job applicants, and rookie authors looking to get published. She sets out the core principles for connecting with readers—laid out in illuminating chapters such as " Cultivate Empathy," " Abandon Jargon," and " Prune Ruthlessly. " Combining boisterous anecdotes with practical advice (relayed in " tracked changes " bubbles), Hall offers an infinitely accessible primer on the art of effectively communicating above the digital noise of the twenty-first century.

The co-authors (fourteen immigrants) share their viewpoints on how immigrant build bridges between cultures, inner and outer worlds, past and future, and between people (immigrants or not) connecting them through universal themes like belonging, finding your voice and purpose, desire, spirituality, ancestry and more.
