Calm My Anxious Heart [Repack]: Amazon.co.uk: Linda Dillow

Calm My Anxious Heart is full of inspirational stories, scripture and practical hints that challenged me to think and look at things from a different perspective. I found it to be both useful and comforting, although needless to say, it doesn't cure anxiety, it will be up to the reader to take from it what they will. One person found this helpful

Calm My Anxious Heart: A Woman's Guide to Finding

Through prayer. 3. Ask Him to know Him deeper. 4. Be still, stop your struggling and trust God's help. The key to being still and getting to know God better is to stop striving and doing life in our strength, but instead, find the time to spend with Him and trust in His leading on life's journey.

Calm My Anxious Heart: How God Enabled Me to Trust
Guest

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.
Philippians 4:6-7
Jesus told him, ‘Don't be afraid; just believe.’

expressive prayers to keep your heart riveted on truth
You don't have to dwell in anxiety. Instead, pray. Breathe. And let your heart rest in God's calming presence.

When it comes to anxiety, depression, and stress-related illnesses, America is the frontrunner. Thankfully, there's a practical prescription for dealing with them. Anxious for Nothing, from New York Times bestselling author, Max Lucado, provides a roadmap for battling with and healing from anxiety. Does the uncertainty and chaos of life keep you up at night? Is irrational worry your constant companion? Could you use some calm? If the answer is yes, you are not alone. According to one research program, anxiety-related issues are the number one mental health problem among women and are second only to alcohol and drug abuse among men. Stress-related ailments cost the nation \$300 billion every year in medical bills and lost productivity. And use of sedative drugs like Xanax and Valium have skyrocketed in the last 15 years. Even students are feeling it. One psychologist reports that the average high school kid today has the same level of anxiety as the average psychiatric patient in the early 1950s. Chances are, you or someone you know seriously struggles with anxiety. Max writes, "The news about our anxiety is enough to make us anxious." He knows what it feels like to be overcome by the worries and fear of life, which is why he is dedicated to helping millions of readers take back control of their minds and, as a result, their lives. Anxious for Nothing invites readers to delve into Philippians 4:6-7. After all, it is the most highlighted passage of any book on the planet, according to Amazon: Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus. In the characteristic tone of his previous books like You'll Get Through This and Fearless, Max guides readers through this Scripture passage and explains the key concepts of celebration, asking for help, leaving our concerns, and meditating. Stop letting anxiety rule the day. Join Max on the journey to true freedom and experience more joy, clarity, physical renewal, and contentment by the power of the Holy Spirit. Anxiety comes with life. But it doesn't have to dominate your life.

Find Daily Peace in a World of Chaos
The unpredictable, unprecedented repercussions of the COVID-19 pandemic have upset nearly every facet of life. For many, the hope of returning to "normal" has slowly given way to fear of the unknown. To cling to what's certain in a time of uncertainty, to find peace when anxiety abounds, look to the Psalms. Psalms for the Anxious Heart is a short, daily devotional that offers meditations of truth and peace. Each devotion includes a reading of a Psalm, a brief teaching on the passage, a salient truth to cling to, and a suggested song to guide further meditation. Enter the Psalms and find relief and hope for your anxious heart in these trying times.

Strengthen your faith as you grow ever closer to the heavenly Father, who cares about anything and everything that's on your mind. Dozens of practical and encouraging prayers inspired by Philippians 4:6-7 will draw you closer to His heart.

Intimate Issues answers the twenty-one questions about sex most frequently asked by Christian wives, as determined by a nationwide poll of over one thousand women. Written from the perspective of two mature Christian wives and Bible teachers—women who you'll come to know as teachers and friends—Intimate Issues is biblical and informative: sometimes humorous, other times practical, but always honest. Through its solid teaching warm testimonials, scriptural insights, and experts' advise, you'll find resolution for your questions and fears, surprising insights about God's perspective on sex, and a variety of practical and creative ideas for enhancing your physical relationship with the husband you love. With warmth and wisdom, authors Linda Dillow and Lorraine Pintus speak woman to woman: examining the teachings of Scripture, exposing the lies of the world, and offering real hope that every woman's marriage relationship can become all it was intended to be in God's design.

In May 2004 prominent philosopher, author, and professor J. P. Moreland awoke in the middle of the night to a severe panic attack. Though often anxious by temperament and upbringing, Moreland had never experienced such an incident before. Thus began an extended battle with debilitating anxiety and depression. More than a decade later, Moreland continues to manage mental illness. Yet along the way he's moved from shame and despair to vulnerability and hope. In Finding Quiet Moreland comes alongside fellow sufferers with encouragement and practical, hard-won advice. According to the Substance Abuse and Mental Health Services Administration, nearly 20 percent of Americans suffer from mental illness, and people in the pews are not immune. Moreland explores the spiritual and physical aspects of mental illness, pointing readers toward sound sources of information, treatment, and recovery. Bracing and honest, Finding Quiet will validate the experiences of believers with mental illness, remind them they are not alone, and provide reassurance that they can not only survive but thrive again.
