The color-coding feature, which makes it easier for you to follow cases and examples that make references to graphs and sets of financial statements. Most subjects, especially Economics, Portfolio Management and Fixed Income use plenty of figures and diagrams to illustrate important concepts. Our study guides include all those figures and additional commentary to make the material easily understandable. "Just wanted to let you know I am VERY happy with the notes. Much more clear than other providers!" -Brian, USA "The Study Guides were more clearly and thoroughly (and yet somehow more concisely!) written than the competitors.." -Vanessa, Spain "Your study guides, lectures and practice questions are really helping me grasp these difficult concepts better. Thanks!" -Amy, USA "Wiley's prep material was a huge part of my success on the exam... Thank you so much for all of the support you have provided. I truly believe in the Wiley products, and will be recommending them to students for years to come." -Lindsey G, USA "Looked at the economics module you sent me, the notes at University do not even come close, and its probably true for a lot of people, including those who have already completed an honors degree or MBA at some of the top universities around the world." -Geoffrey, South Africa

The ninth edition of the Handbook contains the Code of Ethics and Standards of Professional Conduct, commentary and interpretation of the Code and Standards with examples illustrating application of the Standards in the day-to-day professional activities of members and candidates, and a self-administered Standards of Practice examination with commentary. The ninth edition provides guidance on the Code and Standards that are effective 1 January 2006.

Apply CFA Program concepts and skills to real-world wealth and portfolio management for the 2019 exam The same official curricula that CFA Program candidates receive with program registration is now publicly available for purchase. CFA Program Curriculum 2020 Level III, Volumes 1-6 provides complete, authoritative guidance on synthesizing the entire CFA Program Candidate Body of Knowledge (CBOK) into professional practice for the 2020 exam. The Upper Level ISEE can be a very challenging test. Extra practice can make all the difference between a good score and a great score. That's why this book has more questions than even 10 full-length exams - well over 1,500 practice questions dedicated only to the Upper Level ISEE. You won't find any material in this book related to another test - there's no filler here! In this book you will find: * A bonus diagnostic test, to help you pinpoint the areas in most need of improvement. * Critical skills and concepts broken out by topic, so you can zero-in on key areas. * Questions that progress in difficulty, to help you expand your knowledge base and prepare for tough questions. * Helpful hints and suggestions, to help you make sense of the material. * A bonus practice test, to help familiarize yourself with the real thing. This book can be used for independent practice or for study with a professional educator. For best results, we recommend using this book with a tutor or teacher who can help you learn more about new or particularly challenging topics. Though there is an answer key for all questions, this edition does not have detailed answer explanations included.
