The fourth edition of International Business Law and the Legal Environment: A Transactional Approach gives business and law students a clear understanding of the legal principles that govern international business. This book goes beyond compliance by emphasizing how to use the law to create value and competitive advantage. DiMatteo's transactional approach walks students through key business transactions—from import and export, contracts, and finance to countertrade, dispute resolution, licensing, and more—giving them both context and providing real-world applications. More concise than previous editions, this new edition also features: • Added coverage of new technologies, such as smart contracts, digital platforms, and blockchain technology • Discussion of businesses and sustainability, climate change, and creating a circular economy • Greater focus on UNIDROIT Principles and a review of INCOTERMS 2020 • Expansion of common carrier coverage to include CMI trucking and CWR railway conventions • International perspective and use of a variety of national and international law materials • Great coverage of EU substantive law Upper-level undergraduate and postgraduate students of business law and international business will appreciate DiMatteo's lucid writing style, and professionals will find this book to be a comprehensive resource. Online resources include an instructor's manual, PowerPoint slides, test bank, and other tools to provide additional support for students and instructors.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
