Curtis Mayfield - Move On Up - YouTube

Among Mayfield's greatest songwriting successes were three hits that he wrote for Jerry Butler on Vee Jay ("He Will Break Your Heart", "Find Another Girl" and "I'm A-Tellin' You"). His harmony vocals are very prominent. He also had great success writing and arranging Jan Bradley 's "Mama Didn't Lie".

Curtis Mayfield - Wikipedia

Curtis Mayfield's soundtrack for the 1972 cult film Superfly was hugely influential on the future of funk and soul music, but what sometimes gets lost are its urgent lyrical themes. Tucked amongst the chicken scratch guitars and booming brass is a potent story of a young drug dealer, caught up in a merciless lifestyle without even understanding where he's headed.

Curtis Lee Mayfield (June 3, 1942 \u2013 December 26, 1999) was an American soul, R&B, and funk singer-songwriter, guitarist, and record producer. He achieved success and recognition with the Impressions during the Civil Rights Movement of the late 50's and 1960s. Mayfield is also known for his efforts in writing the soundtrack to the blaxploitation film Super Fly which was considered unusual as ...

Curtis Mayfield | Rock Music Wiki | Fandom

Curtis Mayfield had been spinning golden soul music from doo-wop roots with The Impressions for more than a decade before releasing his first solo album, which contains some of his greatest songs.

An insightful music writer brilliantly reinterprets the lives of three pop geniuses and the soul revolution they launched. Soul music is one of America's greatest cultural achievements, and Stevie Wonder, Aretha Franklin, and Curtis Mayfield are three of its most inspired practitioners. In midcentury America it was soul music\u2014particularly the dazzling stream of recordings made by these three stars\u2014that helped bring the gospel vision of the black church into the mainstream, energizing the era's social movements and defining a new American gospel where the sacred and the secular met. What made this gospel all the more amazing was that its most influential articulators were the sons and daughters of sharecroppers, storefront preachers, and single parents in the projects, whose genius gave voice to a new vision of American possibility. Higher Ground seamlessly weaves the specific and intensely personal narratives of Stevie, Aretha, and Curtis's lives into the historical fabric of their times. The three shared many similarities: They were all children of the great migration and of the black church. But Werner goes further and ties them together with a provocative thesis about American history and culture that compels us to reconsider both the music and the times. And aside from the personalities and the history, he writes beautifully about music itself, the nuts and bolts of its creation and performance, in a way that brings a new awareness and understanding to the most familiar music, forcing you to listen to songs you've heard a thousand times with fresh ears. In Higher Ground, Werner illuminates the lives of three unparalleled American artists, reminding us why their music mattered then and still resonates with us today.

Curtis Mayfield was one of the seminal vocalists and most talented guitarists of his era, and his music played a vital role in the civil rights movement: "People Get Ready" was the black anthem of the time. In Traveling Soul, Todd Mayfield tells his famously private father's story in riveting detail. Born into dire poverty, raised in the slums of Chicago, Curtis became a musical prodigy, not only singing like a dream but growing into a brilliant songwriter. In the 1960s he opened his own label and production company and worked with many other top artists, including the Staple Singers. Curtis's life was famously cut short by an accident that left him paralyzed, but in his declining health he received the long-awaited recognition of the music industry. Passionate, illuminating, vivid, and absorbing, Traveling Soul will doubtlessly take its place among the classics of music biography.

(Piano/Vocal/Guitar Songbook). R&B music is now mainstream in pop music culture, and this collection pays tribute to two dozen of the best modern hits from the genre in arrangements for piano, voice and guitar. Includes: All the Stars (Kendrick Lamar/SZA) * Be Without You (Mary J. Blige) * Girl on Fire (Alicia Keys/Nicki Minaj) * Halo (Beyonce) * I Feel It Coming (The Weeknd) * Location (Khalid) * Love Me Now (John Legend) * Love on the Brain (Rihanna) * Passion Fruit (Drake) * Redbone (Childish Gambino) * Rise Up (Andra Day) * That's What I Like (Bruno Mars) * and more.
