Describes the life and accomplishments of the first woman to fly alone across the Atlantic Ocean, and who was later lost at sea while attempting to fly around the world.

Discover the inspiring story of Amelia Earhart - the first woman to fly solo over the Atlantic Ocean... Amelia Earhart is one of the world's most famous aviators in the history of flight and a role model for women everywhere. Follow the story of this trailblazing pilot - from her childhood adventures in Kansas, USA, to her around-the-world-flight in 1937, which ended in her mysterious disappearance over the Pacific Ocean. This biography book for kids ages 8-11 charts the major events of Amelia's life, including buying her first plane (a bright yellow bi-plane that she named "The Canary"), gaining her pilot's license in 1923, becoming the first female air passenger to cross the Atlantic Ocean in 1928, and becoming the first woman to fly solo across the Atlantic in 1932, earning her the nickname "Queen of the Air". The story of a true feminist icon, DK Life Stories: Amelia Earhart is the gripping tale of a determined woman who broke the rules and followed her dreams skywards. This new kids' biography series from DK goes beyond the basic facts to tell the true life stories of history's most interesting and inspiring people. Full-color photographs and hand-drawn illustrations complement the age-appropriate, narrative text to create an engaging book children will enjoy reading. Definition boxes, information sidebars, inspiring quotes, and other nonfiction text features add depth, and a handy reference section at the back makes DK Life Stories the one biography series everyone will want to collect.

Amelia Earhart is a famous woman pilot. She is about to set off on the most dangerous flight ever attempted . . . Stunning DK photographs combine with lively illustrations and engaging, age-appropriate stories in Eyewitness Readers, a multi-level reading programme guaranteed to capture children's interest while developing their reading skills and general knowledge.

A biography of the famous aviatrix who disappeared in the South Pacific on an around-the-world flight attempt in 1937

"Women must try to do things as men have tried. " When she was eight years old, Amelia Earhart built a roller coaster and "flew" through the air. She loved to watch daredevil pilots fly loops in the sky. Amelia decided to pilot a plane herself, and became one of the first women to learn to fly. She broke flight records and in 1932 was the first woman to fly across the Atlantic Ocean alone. The whole world admired her courage and daring. Amelia Earhart disappeared while trying to set a new record flying all the way around the world at the equator, but her pioneer spirit inspired many others to follow in her path.

Autobiography of the famous flyer which describes her own ambitions to become a pilot and offers advice to others.

From the acclaimed author of The Great and Only Barnum—as well as The Lincolns, Our Eleanor, and Ben Franklin's Almanac—comes the thrilling story of America's most celebrated flyer, Amelia Earhart. In alternating chapters, Fleming deftly moves readers back and forth between Amelia's life (from childhood up until her last flight) and the exhaustive search for her and her missing plane. With incredible photos, maps, and handwritten notes from Amelia herself—plus informative sidebars tackling everything from the history of flight to what Amelia liked to eat while flying (tomato soup)—this unique nonfiction title is tailor-made for middle graders. Amelia Lost received four starred reviews and Best Book of the Year accolades from School Library Journal, Kirkus Reviews, Horn Book Magazine, the Washington Post, and the New York Times.

A biography of Amelia Earhart, the first woman to fly solo across the Atlantic Ocean.

One of the most famous aviators of all time, Amelia Earhart took the golden age of flying by storm! Taking her first flight lesson in 1920, Earhart would go on to set the world altitude record, be the first woman to fly across the Atlantic Ocean alone, and many more feats. Who knows what she could have accomplished if not for her mysterious disappearance while attempting to fly around the entire world in 1937. This incredible history of Amelia Earhart is written especially for young adult readers. It is loaded with full color illustrations, comprehensive timelines, fascinating sidebars, and info on key figures in Earhart's story. Perfect for any kid interested in flying, or strong, important women in history!

Meet the masterminds behind the greatest inventions in history with this nonfiction book for kids aged 7 to 9. Step into Leonardo da Vinci's workshop, relax onboard on Hideo Shima's speedy bullet train, and join movie star Hedy Lamarr to bounce ideas around in between takes. Inventors looks at the towering achievements of more than 50 inventors in great detail. The stories are as unusual as they are unique. From Mr. Kellogg, who accidentally created cornflakes after leaving grains boiling for too long, to the ancient Turkish polymath Ismail al-Jazari, who decided the best way to power a clock was with a model elephant, to Sarah E. Goode's fold-up bed space-saving solution-the inventors of this ebook have all used tons of creativity to find ways to improve our world. These groundbreaking inventions include the very earliest discoveries to modern-day breakthroughs in science, food, transportation, technology, toys, and more. Each page is packed with jaw-dropping facts, with every inventor's achievements written as a story. Beautiful illustrations by Jessamy Hawke bring the inventor's stories to life, and fantastic photography highlights the detail of their designs. With incredible hand-painted cross-sections revealing the intricacies of a robotic arm, the first plane, and the printing press, young readers will marvel at being able to see close-up how these amazing machines work. The inventors come from all walks of life and parts of the world, making this the perfect ebook for every budding inventor.
