This book gathers the latest experience of experts, research teams and leading organizations involved in computer-aided design of user interfaces of interactive applications. This area investigates how it is desirable and possible to support, to facilitate and to speed up the development life cycle of any interactive system. In particular, it stresses how the design activity could be better understood for different types of advanced interactive systems.

"One icy winter's evening in Budapest, a man runs straight into John Taylor as he walks home through the narrow streets. John falls over into the snow and looks up at the man's face. 'I felt very afraid. Because what I saw was me. My face looking down at me. My mouth saying sorry.' Who is the man, and how will John's life change?

Pictures and text celebrate girls from around the world.

Exposition of fourth dimension, concepts of relativity as Flatland characters continue adventures. Topics include curved space time as a higher dimension, special relativity, and shape of space-time. Includes 141 illustrations.

Love-the miraculous, eternal bond that binds two souls together. Lauryn Kennsington knew the depth of it. Since the day of her eighth birthday, she had lived the power of true love-witnessed it with her own heart. She had talked with it-learned not even time or death can vanquish it. The Captain taught her these truths-and she loved him all the more for it. Yet now-as a grown woman-Lauryn's dear Captain's torment became her own. After ten years, Lauryn had not been able to help him find peace-the peace his lonely spirit so desperately needed-the peace he'd sought every moment since his death over fifty years before. Still, what of her own peace? The time had come. Lauryn's heart longed to do the unthinkable-selfishly abandon her Captain for another-a mortal man who had stolen her heart-become her only desire. Would Lauryn be able to put tormented spirits to rest and still be true to her own soul? Or, would she have to make a choice-a choice forcing her to sacrifice one true love for another?

A dynamic and hip collective biography that presents forty-four of America's greatest movers and shakers, from Frederick Douglass to Aretha Franklin to Barack Obama, written by ESPN's TheUndeatead.com and illustrated with dazzling portraits by Rob Ball. Meet forty-four of America's most impressive heroes in this collective biography of African American figures authored by the team at ESPN's TheUndeatead.com. From visionaries to entrepreneurs, athletes to activists, the Fierce 44 are beacons of brilliance, perseverance, and excellence. Each short biography is accompanied by a compelling portrait by Robert Ball, whose bright, graphic art pops off the page. Bringing household names like Serena Williams and Harriet Tubman together with lesser-known but highly deserving figures such as Robert Abbott and Dr. Charles Drew, this collection is a celebration of all that African Americans have achieved, despite everything they have had to overcome.

Stubborn food critic Miranda Storme has reached her limit with infuriating restaurateur Gavin Luciano. Nicknaming her Red was just the tip of the iceberg—and not because her pulse races every time he uses it. She'd rather poke her eye out with a fork than let him know he affects her. Now he's trying to charm a good review out of her? Last. Straw. Gavin can have any woman he wants, but he only wants Red. The problem? He's spent a good amount of time convincing her he's a horse's ass. Her words. Risking upsetting the feisty critic further could ruin his family's business, but sometimes, when you know you've met your match, there's nothing left to do but play dirty and go all the way...

A novella set in the House of David religious colony that bubbles with mystery, scandal, and little-known history.

When danger to the sheep leaves no alternative, a young Navajo boy breaks his promise to his father and is rewarded for his courage and good judgment.
