"PROFITS THAT LIE HIDDEN IN WORDPRESS" Hello. As you're probably aware by now, you really can't succeed online, unless you have good web presence for your products and/or services. But, it can be time consuming, overwhelming and even expensive to learn HTML, coding etc or pay people to put up websites for you! Thankfully there is Wordpress. It's the standard blogging and website creation platform for even top brands and succesful online entrepreneurs. Anybody (who knows what they're doing) can put up the most high-tech, smartest websites, with all the automated bells and whistles made in one sitting! Yes, that's now possible. Even complete beginners can simply mix and match themes and plugins to come up with professional looking and functional websites. The site visitors wouldn't even know you're a complete beginner if you do it correctly. Wordpress can be as simple and uncomplicated as you want it to be. All you need to know are the basics. And that's what this book/course is about. This book is entirely written for the absolute beginner! Nothing on this book will overwhelm and scare you away. You can even use this book as guide for your newbie assistants. Just follow along the step-by-step

reading, posting, or commenting on blogs every week. This fun and friendly guide targets moms who are looking to become a savvier blogger, build a personal brand, earn free products to review or give away, or make some extra cash through ad revenue. Named by Nielsen as one of the most influential moms online, author Wendy Piersall helps you determine the right business model for your blog and then create a professional, in-demand personal brand. Serves as a road map for the growing population of moms who are interested in creating a blog or enhancing an existing blog Explains how to define a business model, understand your reader demographics, and choose the right look and feel for your blog Addresses delicate issues such as dealing with privacy and family members who don't want to be featured on your blog Walks you through using social media to extend your personal brand, building traffic with SEO and blog networks, and having a plan and policies in place when big brands and media come calling Offers a very un-intimidating format as well as the usual fun and friendly For Dummies approach This beginner guide presents baby steps for breaking into the often-daunting mom blogging community, with practical advice on how to join and become an accepted member of this exciting world.

Ask most bloggers what they use, and they'll say "Blogger." And why shouldn't they? Blog is right smack in the title. And Google owns it, and we all love Google, right? Blogger is also ridiculously simple—so simple that any dummy with a computer can use it, which is how, as a matter of fact, so many crazy people get on syndicated news shows (hint: if you want to get on a syndicated news show, just say something crazy and far-fetched). So Blogger...wait! This book isn't about Blogger! If Blogger is so ridiculously simple why would anyone want to use WordPress? Easy: because WordPress can put Blogger's blog sack in a knot if the two go fist to cuffs. WordPress is powered by fancy things like PHP and MySQL, and is often used as a CMS in web design. Not sure what those words mean? We'll get

Read PDF Easy Wordpress Blogging For Beginners A Step By Step Guide To Create A Wordpress Website Write What You Love

that shortly, but for now just understand that they are unbelievably powerful. If you want to create a blog about different socks your grandma has sewn you for Christmas, then Blogger's a pretty good fit—but if you want to create a blog that's knock your socks off gorgeous, then read on and we'll show you how. Before continuing, be forewarned—this is not an in depth manual that covers the tiniest details about WordPress; this is a handbook for starters who want to master it quickly or just want to know what it's all about. We are going to tell you everything you need to know in a way that you can understand.

More than 70 million websites and blogs run on WordPress: it's the world's #1 web development tool. Now, you can make the most of WordPress without becoming a technical expert. WordPress Absolute Beginner's Guide is the fastest way to get comfortable and productive with WordPress and its most powerful tools. Whether you're new to WordPress or not, this practical, approachable book will show you how to do exactly what you want, one incredibly clear and easy step at a time - all explained with full-color illustrations. Leading WordPress instructor Tris Hussey provides step-by-step instructions for every task requiring more than one step. Screenshots and illustrations guide you through complex processes, so you'll never get lost or confused. You'll find friendly, patient, crystal-clear coverage that always respects your intelligence, and never patronizes you. Hussey covers all this, and much more: Understanding the mechanics of a WordPress website Installing WordPress yourself, along with the themes and plug-ins you want Using WordPress.com if you don't want to run WordPress on your own equipment Setting up your site right the first time, to avoid problems later Tweaking themes to make your site look perfect Integrating images and media Making your site mobile-ready Using basic search engine optimization techniques to get your site discovered Troubleshooting, maintaining, and performance-tuning your site
