This work is the only comprehensive guide to sequels in English, with over 84,000 works by 12,500 authors in 17,000 sequences.

Presents a guide to nearly 27,000 children's picture book titles grouped in over 1,200 subjects and indexed by author, title, and illustrator.

Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy.As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy.Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.

THERE IS NO better way to introduce children to classical music than with Prokofiev's musical fairy tale of the little boy who, with the help of a bird, outsmarted the big, bad wolf. A new retelling by Janet Schulman follows the basic story, but with a kinder ending for both the big, bad wolf and the argumentative duck. Peter Malone's paintings have the luminous quality of old Russian masters.

With whimsical illustrations by Paulette Bogan, Aaron Reynolds has created a hilarious picture book about one rooster's quest for culinary delight. What happens at Nuthatcher Farm when the chickens get tired of the same old chicken feed? The rooster hatches a plan, of course! With a pinch of genius, a dash of resourcefulness, and a little pilfering from the farmer's garden, the chickens whip up a scrumptious snack of chips and salsa. When the rest of the barnyard gets a whiff of the spicy smells and want to join in, it can mean only one thing . . . FIESTA! But when the big day arrives, all their spicy southwestern supplies are gone! It seems that Mr. and Mrs. Nuthatcher have caught on to the flavor craze as well, and the only thing left for the animals to do is to try a new culinary style-oooh la la!

Fitch the wolf and Chip the pig strike up an unlikely friendship because they discover something in common.
