CLT - Paralegal - Family Law

The Family Law (Scotland) Act 2006 reformed the 1995 Act. As one of several key reforms, the 2006 Act allowed unmarried fathers to acquire "parental responsibilities and rights" (PRRs) by jointly registering the child's birth. (When this is done, the father's name appears on the birth certificate.)

Family Law in Scotland

Family Law in Scotland

A text for students of family law and a guide for practitioners. It provides an account of the rules of Scottish private law which govern family relationships, covering matrimonial property, divorce, financial provision on divorce, custody and care proceedings.

Family law in Scotland has undergone extensive revision since 1995, a process completed on April 1 with implementation of the Children (Scotland) Act 1995. This work offers guidance on the new law with annotation to the primary legislation.

This volume for Scots law students contains the main statutory provisions relating to both heritable and moveable property, trusts and succession. It includes all the important provisions regulating post-feudal land law in Scotland.

Family Law in Scotland

In this updated edition of his "utterly magnificent" social history, the Scottish parliamentarian examines the privatization of Scotland's common land (Sunday Herald, UK). As an author, activist, and politician, Andy Wightman has made a career of fighting for Scottish land reform. In this provocative and influential book, Wightman offers a revealing analysis of how and why landowners got their hands on the millions of acres that were once held in common. He also tells the untold story of how the Scottish legal and political establishment appropriated land through legal fixes. Throughout, Wightman poses some provocative questions: Have attempts to redistribute power made any difference? What are the implications of the debt-fueled housing bubble, the Smith Commission, and the new Scottish Government's proposals on land reform? Can we get our common good land back? For all those with an interest in urban and rural land in Scotland, this edition of The Poor Had No Lawyers, updated with new statistics, provides a fascinating analysis of one the most important political questions in Scotland.

Family Law in Scotland

The Family Law (Scotland) Act 2006 amends, updates and improves various aspects of Scottish family law, as well as introducing important new provisions for cohabiting couples. This book contains the text of the substantive provisions together with Professor Norrie's expert commentary - making it an excellent companion to the new Act for all those who need to know about family law and understand the impact of the new legislation.
