An introduction to the people who look after us in an emergency.

An introduction to the people who look after us in an emergency.

* “ A hundred years from now, when people want to know what we told our children about 9/11, Kalman's book should be among the first answers. ” —Booklist, starred review *

“ Intelligently conveys those unfathomable events in a way that a picture book audience can comprehend. . . . With this

File Type PDF Firefighters Popcorn People Who Help Us

inspiring book, Kalman sensitively handles a difficult subject in an age-appropriate manner. ” —Publishers Weekly, starred review * “ Fireboat does many things. It sets forth an adventure, helps commemorate an anniversary, offers an interesting bit of history, celebrates the underdog, and honors the fire-fighting profession. Children and adults will respond to it in as many ways. ” —School Library Journal, starred review * “ Exciting, uplifting, and child-sensitive. . . . Revisits the tragedy without the terror and conveys pride without preachiness.”—The Bulletin of the Center for Children ’ s Books, starred review * “ Quintessential New York artist Kalman gives us an idiosyncratic but informative look at a Big Apple institution. . . . Kalman ’ s use of the events of September 11 is honest and honorable, and rarely

File Type PDF Firefighters Popcorn People Who Help Us

is she as straightforward as she is here. ” —The Horn Book, starred review This is the inspiring true story of the John J. Harvey—a retired New York City fireboat reinstated on September 11, 2001. Originally launched in 1931, the Harvey was the most powerful fireboat of her time. After the September 11 attacks, with fire hydrants at Ground Zero inoperable and the Hudson River's water supply critical to fighting the blaze, the fire department called on the Harvey for help. There were adjustments—forcing water into hoses by jamming soda bottles and wood into nozzles with a sledgehammer—and then the fireboat's volunteer crew pumped much-needed water to the disaster site. The John J. Harvey proved she was still one of New York's Bravest! Maira Kalman brings a New York City icon to life, celebrating

File Type PDF Firefighters Popcorn People Who Help Us

the energy, vitality and hope of a place and its people.

From the award-winning, New York Times bestselling author of NOS4A2 and Heart-Shaped Box comes a chilling novel about a worldwide pandemic of spontaneous combustion that threatens to reduce civilization to ashes and a band of improbable heroes who battle to save it, led by one powerful and enigmatic man known as the Fireman. The fireman is coming. Stay cool. No one knows exactly when it began or where it originated. A terrifying new plague is spreading like wildfire across the country, striking cities one by one: Boston, Detroit, Seattle. The doctors call it Draco Incendia Trychophyton. To everyone else it ' s Dragonscale, a highly contagious, deadly spore that marks its hosts with beautiful

File Type PDF Firefighters Popcorn People Who Help Us

black and gold marks across their bodies—before causing them to burst into flames. Millions are infected; blazes erupt everywhere. There is no antidote. No one is safe. Harper Grayson, a compassionate, dedicated nurse as pragmatic as Mary Poppins, treated hundreds of infected patients before her hospital burned to the ground. Now she ' s discovered the telltale gold-flecked marks on her skin. When the outbreak first began, she and her husband, Jakob, had made a pact: they would take matters into their own hands if they became infected. To Jakob ' s dismay, Harper wants to live—at least until the fetus she is carrying comes to term. At the hospital, she witnessed infected mothers give birth to healthy babies and believes hers will be fine too. . . if she can live long enough to deliver the child. Convinced that his do-

File Type PDF Firefighters Popcorn People Who Help Us

gooding wife has made him sick, Jakob becomes unhinged, and eventually abandons her as their placid New England community collapses in terror. The chaos gives rise to ruthless Cremation Squads—armed, self-appointed posses roaming the streets and woods to exterminate those who they believe carry the spore. But Harper isn't as alone as she fears: a mysterious and compelling stranger she briefly met at the hospital, a man in a dirty yellow fire fighter's jacket, carrying a hooked iron bar, straddles the abyss between insanity and death. Known as The Fireman, he strolls the ruins of New Hampshire, a madman afflicted with Dragonscale who has learned to control the fire within himself, using it as a shield to protect the hunted . . . and as a weapon to avenge the wronged. In the desperate season to

File Type PDF Firefighters Popcorn People Who Help Us

come, as the world burns out of control, Harper must learn the Fireman ' s secrets before her life—and that of her unborn child—goes up in smoke.

Kate Meader ' s blazing Hot in Chicago firefighter series has “ everything you want in a romance ” (RT Book Reviews, Top Pick)! The flames of desire burn out of control in this sexy third novel when ex-lovers unexpectedly reunite for a sizzling affair that will have the director yelling, “ Quiet on the set! ” Actor Molly Cade, America ' s fallen sweetheart, finally has her shot at a Hollywood comeback with a dramatic new role as a tough-as-nails firefighter that promises to propel her back to the big time and restore her self-respect. Wyatt Fox, resident daredevil at Engine Co. 6,

File Type PDF Firefighters Popcorn People Who Help Us

needs a low-key job to keep him busy while he recovers from his latest rescue stunt. Consulting on a local movie shoot should add just enough spark to his day. Especially when in struts Molly Cade: the woman who worked his heart over good, and then left him in the Windy City dust. Their story is straight out of a script: irrepressible, spunky heroine meets taciturn, smoldering hero. But these two refuse to be typecast, and when the embers of an old love are stoked, someone is bound to get burned...
