Perry McCarthy decided at the age of 18 that he wanted to reach the top in the world's most expensive sport. This is his autobiography. Foreword by Damon Hill. "Perry McCarthy does for Formula One what Bill Bryson did for travel writing. But beneath the black humor and wisecracks - funny enough to make you laugh out loud in public - lies an inspiring and at times poignant tale of the rarest kind of racer: one who never gave up and was, literally, prepared to die trying" David Tremayne, The Independent on Sunday.

Perry McCarthy decided at the age of 18 that he wanted to reach the top in the world's most expensive sport. With no racing experience, no cash, and little going for him except a passion for speed, the exuberant Cockney shouldn't have stood a chance. He never gave up, however, and his relentless search for backing and recognition led the man The Times dubbed "the world's unluckiest racing driver" to heroic, often hilarious and sometimes heartbreaking efforts to make it into Formula 1. This is his autobiography.

The hugely entertaining, and extremely candid, autobiography of one of the most colourful characters in motor sport Eddie Jordan gave Michael Schumacher his first drive, and helped groom a whole series of drivers early in their

careers, including Damon Hill and Martin Brundle. But he funded his first move into motor sport by selling smoked salmon well past its sell-by date to rugby fans leaving Lansdowne Road; when stopped for speeding by a policeman, he ended up selling him his car. Jordan set up his own team, and moved into Formula One at the end of the 1980s. It wasn't long before the team began to pick up podium finishes, and in 1998 won its first race - a remarkable achievement on a comparatively small budget. The following year was even better, but sadly this was to be the peak, as the search for more finance and legal battles with sponsors hit hard. Eventually, in January 2005 he sold the team. AN INDEPENDENT MAN goes behind the scenes to reveal the true personalities of the drivers Jordan worked with, and his battles with Bernie Ecclestone. It shows how, when so much money is involved, nothing is ever simple. His has been a life lived to the full, and his account is packed full of superb stories, colourful adventures and revealing tales.

Collection Editions books give you this one time edition commemorating the end (as we know it) of the most popular factual television show in the planets history.
