0:49 Skip to 0 minutes and 49 seconds This course will help anyone who wants to find out more about the difference between leadership and management, the types of power needed to be a leader, effective leadership, and influencing others. So do you want to be a leader? Then follow me.

An introduction to leadership draws on a program developed for an elementary school to show how to apply the principles of \"The 7 Habits of Highly Effective People\" to help everyone, including young children, identify and use their individual talents.

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform. Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

Change your child's future starting today: Learn how to use Stephen R. Covey's proven 7 Habits to create a leadership program for kids of all ages so they can be more effective, more goal oriented, and more successful In today's world, we are inundated with information about who to be, what to do, and how to live. But what if there was a way to learn not just what to think about, but how to think? A program that taught how to manage priorities, focus on goals, and be a positive influence? The Leader in Me is that program. In this bestseller, Stephen R. Covey took the 7 Habits that have already changed the lives of millions of readers and showed how even young children can use them as they develop. These habits—be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw—are being adapted by schools around the country in leadership programs, most famously at the A.B Combs Elementary school in Raleigh. Not only does it work, but it works better than anyone could have imaged. This book is full of examples of how the students blossom under the program—the classroom that decided to form a support group for one of their classmates who had behavioral problems, the fourth grader who found a way to overcome his fear of public speaking and wound up taking his class to see him compete in a national story telling competitive, or the seven-year-old who told her father than they needed to go outside and play because they both needed to \"sharpen the saw.\" Perfect for individuals and corporations alike, The Leader in Me shows how easy it is to incorporate these skills into daily life. It is a timely answer to many of the challenges facing today's young people, businesses, parents, and educators—one that is perfectly matched to the growing demands of our certain future.

In The 7 Habits of Happy Kids, Sean Covey uses beautifully illustrated stories to bring his family's successful philosophy to the youngest child. For the Seven Oaks friends, there is always something to do. Whether they're singing along with Pokey Porcupine's harmonica or playing soccer with Jumper Rabbit, everyone is having fun and learning all sorts of things. These seven stories show how practicing the 7 Habits makes this possible for the whole Seven Oaks Community. From learning how to take charge of their own lives to discovering how balance is best, the Seven Oaks friends have tons of adventures and find out how each and every kid can be a happy kid!

Learn to be proactive with the 7 Oaks gang in this Level 2 Ready-to-Read edition of the first book in the 7 Habits of Happy Kids series from Sean Covey and Stacy Curtis. Biff the beaver is always making fun of Pokey's quills. Every day at school he makes jokes about them in front of everyone and no matter how much his friends try to help, Pokey just can't help but feel bad when Biff says mean things. It isn't until he learns to ignore Biff that he can stop being so bothered by his comments. With short lyrical text, each of the Level 2 Ready-to-Reads in this winning series focuses on one habit.

Outlines a breakthrough approach to conflict resolution and creative problem solving that draws on the techniques of thinkers from a broad range of disciplines to explain how to incorporate diverse viewpoints for win-win solutions.

Inspiring stories and practical insights challenge readers to live a life of everyday greatness. Best-selling author Stephen Covey and Reader's Digest have joined forces to produce an extraordinary volume of inspiration, insight, and motivation to live a life of character and contribution. The timeless principles and practical wisdom along with a \"Go-Forward Plan\" challenge readers to make three important choices every day: The Choice to Act - your energy The Choice of Purpose - your destination The Choice for Principles - the means for attaining your goals Topics include: Searching for Meaning Taking Charge Starting Within Creating the Dream Teaming with Others Overcoming Adversity Blending the Pieces With stories from some of the world's best known and loved writers, leaders, and celebrities, such as Maya Angelou, Jack Benny, and Henry David Thoreau, and insights and commentary from Stephen Covey, the Wrap Up and Reflections at the end of each chapter help create a project that can be used for group or personal study.

The 7 Habits of Highly Effective Families is Stephen R. Covey's newly revised and updated paperback edition of the New York Times bestseller that offers precious lessons in creating and sustaining a strong family culture in a turbulent world. In his first major work since The 7 Habits of Highly Effective People, Covey presents a practical and philosophical guide to solving the problems--large and small, mundane and extraordinary--that confront all families and strong communities. By offering revealing anecdotes about ordinary people as well as helpful suggestions about changing everyday behavior, The 7 Habits of Highly Effective Families shows how and why to have family meetings, the importance of keeping promises, how to balance individual and family needs, and how to move from dependence to interdependence. The 7 Habits of Highly Effective Families is an invaluable guidebook to the welfare of families everywhere.

An inspirational and practical guide to leadership from the New York Times--bestselling author of The 7 Habits of Highly Effective People. Covey, named one of Time magazine's 25 Most Influential Americans, is a renowned authority on leadership, whose insightful advice has helped millions. In his follow-up to The 7 Habits of Highly Effective People, he poses these fundamental questions: How do we as individuals and organizations survive and thrive amid tremendous change? Why are efforts to improve falling so short in real results? How do we unleash the creativity, talent, and energy within ourselves and others? Is it realistic to believe that balance among personal and professional life is possible? The key to dealing with the challenges that we face is to identify a principle-centered core within ourselves and our institutions. In Principle-Centered Leadership, Covey outlines a long-term, inside-out approach to developing people and organizations. Offering insights and guidelines on how to apply these principles both at work and at home, Covey posits that these steps will lead not only to an increase in productivity and quality of work, but also to a new appreciation of personal and professional relationships as we strive to enjoy a more balanced, rewarding, and ultimately more effective life. \"There seems to be no limit to the number of writers offering answers to the great perplexities of life. Covey, however, is the North Star in this field . . . without hesitation, strongly recommended.\" —Library Journal

Learn to listen with more than your ears with the 7 Oaks gang in this Level 2 Ready-to-Read edition of the fifth book in the 7 Habits of Happy Kids series from Sean Covey and Stacy Curtis. On a rainy day, Lily wants to make cookies. But instead of paying attention to the recipe, she tells her dad she knows what she is doing. What could go wrong? Lily comes to understand the importance of listening—not just with your ears, but your eyes and heart as well! Each of the Level 2 Ready-to-Reads in this winning series focuses on one of the 7 Habits of Happy Kids.
