FROM THE CORNER OF HIS EYE Excerpt. CHAPTER ONE. Bartholomew Lampion was blinded at the age of three, when surgeons reluctantly removed his eyes to save him from a fast-spreading cancer; but although eyeless, Barty regained his sight when he was thirteen.

As blind child prodigy Bartholomew grows up, regains his sight at thirteen, and sets out to transform the lives of everyone around him, Junior Cain, a serial killer and rapist who believes that Bartholomew is his nemesis, goes on a hunt to kill him.

"Sentimental, heartfelt...the exploration of Henry’s changing relationship with his family and with Keiko will keep most readers turning pages...A timely debut that not only reminds readers of a shameful episode in American history, but cautions us to examine the present and take heed we don’t repeat those injustices.”-- Kirkus Reviews “A tender and satisfying novel set in a time and a place lost forever, *Hotel on the Corner of Bitter and Sweet* gives us a glimpse of the damage that is caused by war--not the sweeping damage of the battlefield, but the cold, cruel damage to the hearts and humanity of individual people. Especially relevant in today's world, this is a beautifully written book that will make you think. And, more importantly, it will make you feel.” -- Garth Stein, New York Times bestselling author of *The Art of Racing in the Rain* “Jamie Ford's first novel explores the age-old conflicts between father and son, the beauty and sadness of what happened to Japanese Americans in the Seattle area during World War II, and the depths and longing of deep-heart love. An impressive, bitter, and sweet debut.” -- Lisa See, bestselling author of *Snow Flower* and *the Secret Fan* In the opening pages of Jamie Ford’s stunning debut novel, *Hotel on the Corner of Bitter and Sweet*, Henry Lee comes upon a crowd gathered outside the Panama Hotel, once the gateway to Seattle’s Japantown. It has been boarded up for decades, but now the new owner has made an incredible discovery: the belongings of Japanese families, left when they were rounded up and sent to internment camps during World War II. As Henry looks on, the owner opens a Japanese parasol. This simple act takes old Henry Lee back to the 1940s, at the height of the war, when young Henry’s world is a jumble of confusion and excitement, and to his father, who is obsessed with the war in China and having Henry grow up American. While “scholarshipping” at the exclusive Rainier Elementary, where the white kids ignore him, Henry meets Keiko Okabe, a young Japanese American student. Amid the chaos of blackouts, curfews, and FBI raids, Henry and Keiko forge a bond of friendship-and innocent love-that transcends the long-standing prejudices of their Old World ancestors. And after Keiko and her family are swept up in the evacuations to the internment camps, she and Henry are left only with the hope that the war will end, and that their promise to each other will be kept. Forty years later, Henry Lee is certain that the parasol belonged to Keiko. In the hotel’s dark dusty basement he begins looking for signs of the Okabe family’s belongings and for a long-lost object whose value he cannot begin to measure. Now a widower, Henry is still trying to find his voice-words that might explain the actions of his nationalistic father; words that might bridge the gap between him and his modern, Chinese American son; words that might help him confront the choices he made many years ago. Set during one of the most conflicted and volatile times in American history, *Hotel on the Corner of Bitter and Sweet* is an extraordinary story of commitment and enduring hope. In Henry and Keiko, Jamie Ford has created an unforgettable duo whose story teaches us of the power of forgiveness and the human heart. BONUS: This edition contains a *Hotel on the Corner of Bitter and Sweet* discussion guide and an excerpt from Jamie Ford's *Songs of Willow Frost*.

"One of those tales that ties you up, turns you inside-out, wrings you like a wet cloth." --Jason Reynolds, New York Times bestselling author of *Long Way Down* American Street meets *Long Way Down* in this searing and gritty debut novel that takes an unflinching look at the harsh realities of gang life in Jamaica and how far a teen is willing to go for family. Things can change in a second: The second Frankie Green gets that scholarship letter, he has his ticket out of Jamaica. The second his longtime crush, Leah, asks him on a date, he's in trouble. The second his father gets shot, suddenly nothing else matters. And the second Frankie joins his uncle's gang in exchange for paying for his father's medical bills, there's no going back...or is there? As Frankie does things he never thought he'd be capable of, he's forced to confront the truth of the family and future he was born into--and the ones he wants to build for himself.

After breaking up two years earlier, mixed martial artist Jake and high-powered lawyer Amanda have a chance encounter and sparks fly.

The crime-infested intersection of West Fayette and Monroe Streets is well-known--and cautiously avoided--by most of Baltimore. But this notorious corner's 24-hour open-air drug market provides the economic fuel for a dying neighborhood. David Simon, an award-winning author and crime reporter, and Edward Burns, a 20-year veteran of the urban drug war, tell the chilling story of this desolate crossroad. Through the eyes of one broken family--two drug-addicted adults and their smart, vulnerable 15-year-old son, DeAndre McCollough, Simon and Burns examine the sinister realities of inner cities across the country and unflinchingly assess why law enforcement policies, moral crusades, and the welfare system have accomplished so little. This extraordinary book is a crucial look at the price of the drug culture and the poignant scenes of hope, caring, and love that astonishingly rise in the midst of a place America has abandoned.

NEW YORK TIMES BESTSELLER • What if you lived out the drama of your twenties on Air Force One? “[This] breezy page turner is essentially Bridget Jones goes to the White House.”—The New York Times RECOMMENDED READING theSkimm • Today • Entertainment Weekly • Refinery29 • Bustle • PopSugar • Vanity Fair • The New York Times Editors’ Choice • Paste In 2012, Beck Dorey-Stein is working five part-time jobs and just scraping by when a posting on Craigslist lands her, improbably, in the Oval Office as one of Barack Obama’s stenographers. The ultimate D.C. outsider, she joins the elite team who accompany the president wherever he goes, recorder and mic in hand. On whirlwind trips across time zones, Beck forges friendships with a dynamic group of fellow travelers—young men and women who, like her, leave their real lives behind to hop aboard Air Force One in service of the president. As she learns to navigate White House protocols and more than once runs afoul of the hierarchy, Beck becomes romantically entangled with a consummate D.C. insider, and suddenly the political becomes all too personal. Against a backdrop of glamour, drama, and intrigue, this is the story of a young woman learning what truly matters, and, in the process, discovering her voice. Praise for *From the Corner of the Oval* “Who knew the West Wing could be so sexy? Beck Dorey-Stein’s unparalleled access is obvious on every page, along with her knife-sharp humor. I tore through the entire book on a four-hour flight and loved reading all about the brilliant yet hard-partying people who once surrounded the leader of the free world. Lots of books claim to give real insider glimpses, but this one actually delivers.”—Lauren Weisberger, author of *The Devil Wears Prada* “Dorey-Stein . . . writes with wit and self-deprecating humor.”—The Wall Street Journal “Addictively readable . . . Dorey-Stein’s spunk and her sparkling, crackling prose had me cheering for her through each adventure. . . She never loses her starry-eyed optimism, her pinch-me wonderment, her Working Girl pluck.”—Paul Begala, The New York Times Book Review (Editors’ Choice)

Ann Martin's phenomenal Newbery Honor book, now in paperback The summer Hattie turns 12, her predictable smalltown life is turned on end when her uncle Adam returns home for the first time in over ten years. Hattie has never met him, never known about him. He's been institutionalized; his condition involves schizophrenia and autism. Hattie, a shy girl who prefers the company of adults, takes immediately to her excitable uncle, even when the rest of the family -- her parents and grandparents -- have trouble dealing with his intense way of seeing the world. And Adam, too, sees that Hattie is special, that her quiet, shy ways are not a disability,

For fans of Lauren Layne and Kristan Higgins comes a delightfully "fun bit of fluffy entertainment" (Publishers Weekly) in the first book of a charming new series, in which a young woman is forced to help her old friend revamp his image for the upcoming mayoral elections...and discovers that she might not be as immune to his charms as she once thought. When Emmanuelle Peroni's father--and current mayor of Hope Lake, Pennsylvania--suggests she help with Cooper Endicott's campaign, she's horrified. Cooper, one of her (former) oldest friends, drives her crazy in every way possible. But he's also her father's protégé, so Emma reluctantly launches her plan to help him win the local election. It's not as easy as it looks. Cooper's colorful love life is the sticking point for many voters, and his opponent is digging up everything he can from his past. It seems that every time Emma puts out the flames from one scandal, another one flares up. Emma knows that if Cooper wants to win, he needs to keep his nose clean. The only problem? She might just be falling in love with the one person she promised never to pursue: the mayoral candidate himself.

Train. Fight. Repeat. That's been Princeton "The Prince" Lattimore's life for as long as he can remember. But when an interruption to his heavyweight champion world comes in the form of an alluring journalist who sees well beyond his undefeated stature, he quickly learns there's a lot more to life outside of the boxing ring. Write. Submit. Repeat. As a budding journalist, Bella Stevenson is determined to solidify her place as one of the best writers in the game. But when she's assigned to cover a boxing match - a sport she knows nothing about - she realizes that it's going to take a lot more than just a good write-up to do so. And once chasing a good story turns into meeting the man of her wildest imagination, her world is quickly turned upside down in more ways than one. Falling for each other proves to be an easy feat. But going the distance becomes the biggest challenge either of them has faced, especially as Princeton discovers who's really in his corner...

The "Corner Office" columnist and head of a Pulitzer Prize-winning national reporting team draws on the insights of such leading CEOs as Microsoft's Steve Ballmer, Yahoo's Carol Bartz and DreamWorks's Jeffrey Katzenberg to identify proven leadership principles as well as the qualities that CEOs most value in their employees. 40,000 first printing.
