Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Giver is a Newbery Medal winning story about a child named Jonas who lives in a futuristic society in which everything is managed and controlled, eliminating hatred, hunger, war, love, families and personal decisions. When Jonas is assigned the task of becoming the next Receiver of Memory, the Giver transmits memories of a past world where hatred, war and love existed, revealing the truth to the young boy. Jonas soon realizes the horrors of his "perfect" society. Through the memories imparted to him from the Giver, Jonas also learns of an alternative, better world. The Giver and Jonas come to the realization that for the good of the community, these memories must be transferred to the entire community. In order to do this, Jonas and the Giver must leave — the Giver through death, and Jonas through escape. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

A Newbery Honor Book that the New York Times called "an eerie delight," The Wish Giver is an engaging literary folk story about those who get what they wish for—whether they want it or not. The people of Coven Tree are no strangers to magic. In fact, the town's very name comes from a gnarled old tree where covens of witches used to gather. He was just a funny little man who drifted into town with a strange tale about being able to give people whatever they wished—for only fifty cents. There was nothing scary about him. At least, not until the wishing began...
