How can we stay engaged with life day after day? How can we continue to love[to keep our minds in a happy mood]when life is complex, difficult, and, often, disappointing? Bestselling author and beloved teacher Sylvia Boorstein asked herself these questions when she started to write this inspiring new book. The result is her best work to date, offering warm, wise, and helpful ways we can experience happiness even when the odds are against us. As Boorstein has discovered in more than three decades of practice as a professional psychotherapist, the secret to happiness lies in actively cultivating our capacity to connect with kindness: with ourselves; with friends, family, colleagues; with those we may not know well; and even with those we may not like. She draws from the heart of Buddhist teachings to show how Wise Effort, Wise Mindfulness, and Wise Concentration can lead us away from anger, anxiety, and confusion, and into calmness, clarity, and the joy of living in the present. These qualities strengthen our ability to meet encounters of every kind with balance and intelligence, providing us with a grounded sense of true contentment. Happiness Is an Inside Job resonates with the knowledge of a psychotherapist, the compassion of a spiritual teacher, and the wisdom of a grandmother. Boorstein's vivid stories capture our minds and our hearts, and the simple exercises she suggests can be done while you read. This beautiful book is comforting and reminds us that life is a shared journey, that our hearts truly do want to console and love our fellow sojourners, and that living happily is indeed the best way to live.

Develop the "happiness habit" by practicing ten life tasks outlined by this popular spiritual leader. Pursue happiness by learning to accept yourself as you are, make your life an act of love, stretch out of your comfort zone, and more. A gift of peace, satisfaction and happiness! (Tabor)

CJ Felton has been an inspirational teacher and guide for me and all who come in contact with her. I first met CJ at Agape Spiritual Center in Los Angeles in a class CJ facilitated. I felt an instant connection with CJ, which has led to a lifelong friendship. I am inspired by CJ living her truth and shining her light so brightly. She is truly a beneficial presence on this planet. Her wisdom shines through in her words and her actions, especially in this book, Peace Is an Inside Job. She is a blessing to me and to everyone who comes in contact with her. Tom OLeary, award-winning screenwriter and playwright CJ is my life coach and spiritual advisor, and now she has crafted a masterpiece entitled Peace Is an Inside Job. Rarely, have I encountered such a godly woman with such deep faith and resilience, no matter what life happens to offer up. CJ has been instrumental in changing my life, and that is why I want to be [instrumental in supporting] her as she matriculates through this chapter of her life. Greg Johnson, L.O.V.E. New York Times Bestseller: A history of the S&L scandal that caused a financial disaster for American taxpayers: [Hard to put down] (Library Journal). For most of the 20th century, savings and loans were an invaluable thread of the American economy. But in the 1970s, Congress passed sweeping financial deregulation at the insistence of industry insiders that allowed these once quaint and useful institutions to spread their taxpayer-insured assets into new and risky investments. The looser regulations and reduced federal oversight also opened the industry to an army of shady characters, white-collar criminals, and organized crime groups. Less than 10 years later, half the nation's savings and loans were insolvent, leaving the American taxpayer on the hook for a large hunk of the nearly half a trillion dollars that had gone missing. The authors of Inside Job saw signs of danger long before the scandal hit nationwide. Decades after the savings and loan collapse, Inside Job remains a thrilling read and a sobering reminder that our financial institutions are more fragile than they appear.
