Designed for class use and independent study, this coursebook is tailored to the thematic requirements and assessment objectives of the IB syllabus. It features the following topics: business organisation and environment; human resources; accounts and finance; marketing; operations management; and business strategy.

Completely updated by a Business and Management workshop leader to accurately match the new 2014 syllabus, this new edition includes a special focus on the new concept-based learning requirement. Every topic is comprehensively covered, plus full assessment support drives high achievement and TOK links ensure learning aligns to the IB philosophy.

This exam preparation guide provides extra support for students studying for their Business Management for the IB Diploma examination, for first teaching in 2014. Case studies and structured questions provide opportunities to practise and assess progress, which helps to build students' confidence. In addition, a focus on numeracy skills gives extra support with this particular aspect of the course. The resource encourages students to think critically and strategically about organisational behaviour. Answers to the exam preparation guide questions are online.

IB Prepared resources are developed directly with the IB to provide the most up-to-date, authentic and authoritative guidance on DP assessment. IB Prepared: Business Management combines a concise review of course content with strategic guidance, past paper material and exam-style practice opportunities, allowing learners to consolidate the knowledge and skills that are essential to success.
