Book Design Made Simple gives DIY authors, small presses, and graphic designers-novices and experts alike-the power to design their own books. It's the first comprehensive book of its kind, explaining every step from installing Adobe InDesign right through to sending the files to press. For those who want to design their own books but have little idea how to proceed, Book Design Made Simple is a semester of book design instruction plus a publishing class rolled into one. Let two experts guide you through the process with easy step-by-step instructions, resulting in a professional-looking top-quality book

The fastest, easiest, most comprehensive way to learn Adobe InDesign CC (2014 release) Classroom in a Book®, the best-selling series of hands-on software training workbooks, offers what no other book or training program does—an official training series from Adobe Systems Incorporated, developed with the support of Adobe product experts. Adobe InDesign CC Classroom in a Book contains 16 lessons that cover the basics, providing countless tips and techniques to help you become more productive with the program. You can follow the book from start to finish or choose only those lessons that interest you. In addition to learning the key elements of the InDesign interface, this completely revised CC (2014 release) edition covers new features, including rows and columns in tables, dual PDF and IDML file packaging, fixed and reflow EPUBs, and major improvements in the way text and graphics are handled during EPUB export. Purchasing this book gives you access to the downloadable lesson files you need to work through the projects in the book, and to electronic book updates covering new features that Adobe releases for Creative Cloud customers. For access, goto www.peachpit.com/redeem and redeem the unique code provided inside this book. * The Classroom in a Book series is by far the best training material on the market. Everything you need to master the software is included: clear explanations of each lesson, step-by-step instructions, and the project files for the students. * Barbara Binder, Adobe Certified Instructor Rocky Mountain Training

Written by an industry professional with over 20 years' experience of training in electronic publishing software, InDesign in easy steps breaks down this versatile, user-friendly page layout software into a straightforward, manageable and logical series of learning events. If your aim is to get started with the basics, become a competent and confident user, and then to master InDesign - this book is for you. The book builds from the basics, such as the Working Environment, Building Pages, Text, character and Paragraph settings. Then, it continues to cover more and more of the extensive range of functionality InDesign has to offer. By following the book's logical structure you can develop the core skills needed to master the software. Areas covered include: Tables and Tabs; Table of Contents, Indexing and Books; Printing and Exporting; Transformations and Transparency; Paths and the Pen Tool. For both Windows & Mac users.

InDesign CS2 In Easy Steps shows you how to harness the creative potential and power in both the existing features and the exciting new features such as Object Styles, Snippets and image controls as well as the extensive file management capabilities of the Adobe Bridge. The book brings a clear, logical and informative learning sequence to the software, using, step by step instructions and an abundance of screenshots that clarify and explain features with the minimum of fuss and the maximum impact.
