Jimmy the little bunny doesn't start off knowing how to ride a two-wheeler bike like his big brothers. In fact, sometimes he gets teased for it. When Dad shows Jimmy how not to be afraid to try something new, that's when the fun begins.

It's time to serve some just desserts... Six months after her husband's death, Tessa Esposito is hoping to drum up reservations for her restaurant's grand opening. And since a signing with bestselling author, Preston Rigotta, is sure to draw a crowd, Tessa agrees to cater her cousin's bookstore event—whipping up some of her famous Italian desserts. But the event soon takes a sour turn when Preston's publicist, an old high school rival, arrives and begins to whisk up their old grudges. That night, a fight breaks out in front of the crowd, and it becomes clear there's bad blood in Harvest Park. And when the publicist is found dead on the bookstore floor the next morning, a stray cannolo at her side, Tessa knows who will be framed as the prime suspect. To clear both her cousin's and her own name, Tessa must investigate the murder. But Preston's publicist has many secrets to hide, and in the end, the truth is bittersweet... The second book in the Italian Chef Cozy Mystery series!

A little girl chases her giant pumpkin all over town with some help along the way. It's the perfect bedtime story to read with your little pumpkin.

First published in 1891, Pellegrino Artusi's *La scienza in cucina e l'arte di mangiar bene* has come to be recognized as the most significant Italian cookbook of modern times. It was reprinted thirteen times and had sold more than 52,000 copies in the years before Artusi's death in 1910, with the number of recipes growing from 475 to 790. And while this figure has not changed, the book has consistently remained in print. Although Artusi was himself of the upper classes and it was doubtful he had ever touched a kitchen utensil or lit a fire under a pot, he wrote the book not for professional chefs, as was the nineteenth-century custom, but for middle-class family cooks: housewives and their domestic helpers. His tone is that of a friendly advisor – humorous and nonchalant. He indulges in witty anecdotes about many of the recipes, describing his experiences and the historical relevance of particular dishes. Artusi's masterpiece is not merely a popular cookbook; it is a landmark work in Italian culture. This English edition (first published by Marsilio Publishers in 1997) features a delightful introduction by Luigi Ballerini that traces the fascinating history of the book and explains its importance in the context of Italian history and politics. The illustrations are by the noted Italian artist Giuliano Della Casa.

Italian Kids Songs and Rhymes: A Mama Lisa Book Italy! A land with a rich tradition of children's songs and rhymes! In this book we've gathered over eighty Italian songs and rhymes, presented in their original language and with translations into English. Many have commentary sent to us by our correspondents around the world. It's an ideal resource for teachers of the Italian language, parents who want to share memories with their children, and anyone who loves the Italian culture. You'll find nursery rhymes like "Batta le Manine" (Clap Your Hands), songs like "La bella lavanderina" (The Pretty Washerwoman) and Christmas carols like the beloved "Tu scendi dalle stelle" (You Come Down from the Stars). Italy has been at the center of Western civilization for thousands of years, and we've included representatives from that entire time span. So you'll even find a few songs in Latin, the language of the Roman Empire and the Church, like "Personent hodie" (This Day Resounds), a carol from the 1500's. We're also very pleased to include several songs in different Italian dialects. Italy has had varied linguistic influences over the ages and this has led to many different variants of the language still being spoken there. Many have also been preserved in immigrant communities, particularly in the US, though these are fading as the children and grandchildren of immigrants often speak only English. Yet those same people have treasured memories of the rhymes and songs their grandparents sang to them. There's not always a sharp distinction between songs sung by children and by adults. So we've included a sampling of popular traditional songs like "Santa Lucia". "Italian Kids Songs and Rhymes" is produced by Mama Lisa's World, where we work with ordinary people around the globe to build a platform to preserve and exchange traditional culture. Most of the featured songs and rhymes have been provided by our contributors, to whom we're very grateful! The book works in concert with our web site. At the end of each item, there's a web address to an online version of the song or rhyme. There we are often able to include sheet music, recordings and videos of performances. We hope this book will help foster love of the Italian language and culture all over the world! Grazie! This book includes: -Italian songs, rhymes, lullabies, and carols -Each in the original language and with translations into English -Commentary from ordinary people about what the songs have meant to their lives -Web links to recordings and sheet music -Illustrations

Ciao, tutti! (Hello, everyone!) You'll be speaking Italian subito (right away) with the help of this coloring book and its more than 60 pages of vocabulary. Kid-friendly artwork accompanies terms for family members, animals, the days of the week, and other common words and simple phrases. English translations and helpful pronunciation guides appear beside each term or expression.

The beloved nutbrown hares from the best-selling Guess How Much I Love You series return in a collection of four intricately illustrated short stories.

Bilingual Edition English-Italian "Am I small?" - Tamia is not sure and keeps asking various animals that she meets on her journey. Eventually she finds the surprising answer... "Io sono piccola?" - Tamia non ne è sicura e continua a chiederlo ai diversi animali che incontra per la strada. E alla fine, scopre la sorprendente risposta... Reviews "immensely enjoyable"-ForeWord Clarion Reviews "for children who enjoy lingering over pages full of magical creatures and whimsical details [...] told in simple and engaging words and imaginative pictures."-Kirkus Reviews "a fantastic book that has enchanted me"-Amazon Customer Review "We are in love with this book! [...] As an artist, I love love LOVE the art in this book, I think its not only beautiful, but perfect for children. My son spent a lot of time just studying every colorful page. We read it twice in the first sitting because he was so happy! He's not yet

1, so getting him to sit still for story time is tough, and this book was such a hit he sat through it with nothing but a big smile and lots of pointing to the stuff he liked on the pages. I highly recommend this book :) Get it get it get it!"-Amazon Customer Review "Written in a very simple way but with a profound message for both adults and kids."-Amazon Customer Review "I LOVED it. Lots of repetition to help 'lil ones get used to structure and words! Many different words being used to help them improve their vocabulary (or pick the best word!). Most importantly, it sends a good message about how being unique and different is good. I STRONGLY suggest you check this book out!"-ESLCarissa.blogspot.com "readers will emerge from this book feeling slightly more confident about themselves-whatever their size."-ForeWord Clarion Reviews Tags: Bilingual Children's Books, Bilingual Books, Emergent Bilingual, Bilingual Education, Foreign Language Learning, ESL, English as a Second Language, ESL for Children, ESL for Kids, ESL Teaching Materials, EFL, English as a Foreign Language, EFL Books, EFL for Children, ELL, English Language Learner, EAL, English as an Additional Language, Children's Picture Book, Dual Language, Foreign Language Study, ESOL, English for Speakers of Other Languages

In *The Hug*, internationally renowned author David Grossman tells the moving story of the moment when Ben realizes that no two living creatures are alike—not his mother and father, their beautiful dog Miracle or the ants who march side by side at his feet and appear identical—and the loneliness he feels knowing that there is no one else quite like him in the whole world. But just as he is feeling the most alone he has ever felt, he is soothed by his mother's loving hug. Timeless, touching, and beautifully produced, *The Hug* is a charming and important work for parents and children encountering the feeling of being different, together

Learn the language of la dolce vita! For anyone who wants to learn and enjoy the most expressive and romantic of languages, the third edition of 'The Complete Idiot's Guide to Learning Italian' is the first choice for a whole new generation of enthusiastic students of Italian. This updated edition includes two new quick references on verbs, grammar, and sentence structure; two new appendixes on Italian synonyms and popular idiomatic phrases; and updated business and money sections. First two editions have sold extraordinarily well. Italian is the fourth most popular language in the United States.
