Left on their own for an evening, two boisterous brothers find more excitement than they bargained for in a mysterious and mystical space adventure board game.

It ' s the most advanced computer role-playing game ever: When you play you ' re really there—in a dark dream teeming with evil creatures, danger-filled fortresses, and malevolent sorceries. The game plugs directly into your brain—no keyboard, no modem, no monitor. And for game hacker Arvin Rizalli and his friends, no cash up front, no questions asked . . . and no hope of rescue when the game goes horribly, deathly wrong.

The game under the tree looked like a hundred others Peters and Judy had at home. But they were bored and restless and, looking for something interesting to do, thought they'd give Jumanji a try. Little did they know when they unfolded its ordinary-looking playing board that they were about to be plunged into the most exciting and bizare adventure of their lives. In his second book for children, Chris Van Allsburg again explores the ever-shifting line between fantasy and reality with this story about a game that comes startlingly to life. His marvelous drawings beautifully convey a mix of the everyday and the extraordinary, as a quiet house is taken over by an exotic jungle.

Art of the Cut provides an unprecedented look at the art and technique of contemporary film and television editing. It is a fascinating "virtual roundtable discussion" with more than 50 of the top editors from around the globe. Included in the discussion are the winners of more than a dozen Oscars for Best Editing and the nominees of more than forty, plus numerous Emmy winners and nominees. Together they have over a thousand years of editing experience and have edited more than a thousand movies and TV shows. Hullfish carefully curated over a hundred hours of interviews, organizing them into topics critical to editors everywhere, generating an extended conversation among colleagues. The discussions provide a broad spectrum of opinions that illustrate both similarities and differences in techniques and artistic approaches. Topics include rhythm, pacing, structure, storytelling and collaboration. Interviewees include Margaret Sixel (Mad Max: Fury Road), Tom Cross (Whiplash, La La Land), Pietro Scalia (The Martian, JFK), Stephen Mirrione (The Revenant), Ann Coates (Lawrence of Arabia, Murder on the Orient Express), Joe Walker (12 Years a Slave, Sicario), Kelley Dixon (Breaking Bad, The Walking Dead), and many more. Art of the Cut also includes in-line definitions of editing terminology, with a full glossary and five supplemental web chapters hosted online at www.routledge.com/cw/Hullfish. This book is a treasure trove of valuable tradecraft for aspiring editors and a prized resource for high-level working professionals. The book ' s accessible language and great behind-the-scenes insight makes it a fascinating glimpse into the art of filmmaking for all fans of cinema.

A Bipolar Guide from a Bipolar Person Welcome to the Jungle has a greater focus on bipolar people, not the diagnosis: the ways in which each person can find his or her own way through the extreme emotional states and intense experiences that we are calling " bipolar "—whether that means medication or meditation, psychiatrists or vision quests, good sleep or good all-night dancing, or a little bit of everything. An honest, relatable book that can help you figure out how to live your life with bipolar disorder. Many bipolar books are too clinical, too alarmist, and too clearly written for family members and caretakers of people diagnosed with this mood disorder. Welcome to the Jungle is different. Author Hilary Smith wrote this guide because it is the book she wishes she'd been given when she was first diagnosed with bipolar disorder. It answers questions, points to resources, and most of all, comes from someone who understands what it ' s like to be thrown off course by an overwhelming mental health issue—and what to do afterwards. Know that you are not alone—and that many paths can lead to healing. Just like for everyone else, there are many, many paths that bipolar people can take in life. Learn more about how to live your own life with a mental illness using the help of the insights in Welcome to the Jungle, which covers topics such as: Wrapping your head around triggers, causes of mood swings, medications, and therapists Recovering from mental breakdowns, manic moments, and major depressive episodes Living your life beyond the diagnosis—and helping your family to do the same Readers of bipolar mental health books like The Bipolar Workbook, Rock Steady, or OMG That's Me! will love the devastatingly on-target, honest insights offered in Welcome to the Jungle. \*This book is not intended to diagnose, treat, or prevent any illness or act as a substitute for advice from a doctor or psychiatrist.\*

Dynamic, funny, and inspiring photos of global entertainment icon, entrepreneur, and trailblazer, Dwayne "The Rock" Johnson, featuring twenty years' worth of candid, family moments, and snapshots from film and television sets, many never-before-seen. Hiram Garcia, who has known Dwayne Johnson since college, is a longtime collaborator, producing partner, and talented photographer. As a film and television producer as well as in his role as the President of Production at Seven Bucks Productions, Garcia has unprecedented access to capture images on the sets of Seven Bucks ' films including such blockbuster hits as Jumanji: The Next Level, Jungle Cruise, Fast and Furious Presents: Hobbs & Shaw, and more. As one of his closest friends, Garcia knows Johnson inside and out, and that deep relationship informs the photographs he shares in this book. Whether it ' s an action-packed photo snapped during an intense film take, or a relaxed and candid shot of Johnson with his daughters, Garcia focuses his lens on the qualities he most admires in his friend: his extraordinary work ethic, his infectious smile, his empathy and sense of humor, and the joy and determination Johnson brings to everything he does. With scores of photos—most of them never been seen before and taken over two decades—The Rock: Through the Lens: His Life, His Movies, His World is enhanced by captions revealing the inside stories behind these remarkable images.

Barbara La Marr's (1896--1926) publicist once confessed: "There was no reason to lie about Barbara La Marr. Everything she said, everything she did was colored with news-value." When La Marr was sixteen, her older half-sister and a male companion reportedly kidnapped her, causing a sensation in the media. One year later, her behavior in Los Angeles nightclubs caused law enforcement to declare her "too beautiful" to be on her own in the city, and she was ordered to leave. When La Marr returned to Hollywood years later, her loveliness and raw talent caught the attention of producers and catapulted her to movie stardom. In the first full-length biography of the woman known as the "girl who was too beautiful," Sherri Snyder presents a complete portrait of one of the silent era's most infamous screen sirens. In five short years, La Marr appeared in twenty-six films, including The Prisoner of Zenda (1922), Trifling Women (1922), The Eternal City (1923), The Shooting of Dan McGrew (1924), and Thy Name Is Woman (1924). Yet by 1925 -- finding herself beset by numerous scandals, several failed marriages, a hidden pregnancy, and personal prejudice based on her onscreen persona -- she fell out of public favor. When she was diagnosed with a fatal lung condition, she continued to work, undeterred, until she collapsed on set. She died at the age of twenty-nine. Few stars have burned as brightly and as briefly as Barbara La Marr, and her extraordinary life story is one of tempestuous passions as well as perseverance in the face of adversity. Drawing on never-before-released diary entries, correspondence, and creative works, Snyder's biography offers a valuable perspective on her contributions to silent-era Hollywood and the cinematic arts.
