Kane and Abel (novel) - Wikipedia

I think Jeffrey Archer is a genius storyteller. For me the book largely falls into two halves, the turning point being Kane and Abel ' s first real meeting when the Wall Street Crash of 1929 and business brought them together. The book had a rhythm and an arch that peaks shortly after that first meeting.

Kane and Able: William Lowell Kane and Abel Rosnovski, one the son of a Boston millionaire, the other a penniless Polish immigrant. Two men, born on the same day, on opposite sides of the world, their paths destined to cross in their ruthless struggle to build a fortune. An unputdownable story, spanning sixty years, of two powerful men linked by an all-consuming hatred, brought together by fate to save—and finally destroy—each other. Sons of Fortune: #1 New York Times bestselling author Jeffrey Archer has mesmerized thousands of readers over the years with his riveting novels and unforgettable characters. Now he returns with another remarkable novel that proves he is still one of the most gifted writers of all time... In hushed maternity ward, an infant dies, while twin brothers thrive. By morning, one

mother is told that her only child is doing fine. Another is told that she has tragically lost one of her sons... Twins separated at birth, Nathaniel Cartwright and Fletcher Davenport have been raised in different worlds, and have both thrived among the best and brightest of their generation. In an era of violent change, free love, and blind ambition, Nat goes off to war, while Fletcher enters political combat. With each choice they make--in love and career, through tragedy and triumph--their lives mirror one another...until a high-profile murder case brings them together. Until a high-stakes political battle turns them into rivals. Until a decades-old secret is exposed...and two powerful men must confront their bonds of fate and fortune.

into office, powerful forces are already in motion to take her life. The FBI investigates thousands of false threats every year. This time, a reliable source has tipped them off about an assassination attempt. One hour later, the informant and all but one of the investigating agents are dead. The lone survivor: FBI Special Agent Mark Andrews. Now, only he knows when the killers will strike. But how can he alone unravel a ruthless conspiracy—in less than one week? The race to save the first woman president begins now...

NEW YORK TIMES BESTSELLING author Jeffrey Archer returns with a powerful tale of twins separated by fate and reunited by destiny. In Hartford, Connecticut, in the late 1940s, a set of twins is parted at birth—not by accident. Nat

Cartwright goes home with his parents, a schoolteacher and an insurance salesman, while his twin brother begins his days as Fletcher Davenport, son of a millionaire and his society wife. During the 1950s and 1960s, the two brothers grow up apart, following similar paths that take them in different directions. Nat leaves college at the University of Connecticut to serve in Vietnam, then finishes school, earns his MBA, and becomes a successful currency dealer. Fletcher, meanwhile, graduates from Yale University with a bachelor's and a law degree, going on to distinguish himself as a criminal defense lawyer. At various times in their lives, both men are confronted with challenges and obstacles, tragedy and betrayal, loss and hardship, before they both decide to run for governor, unaware they are brothers.... In the

tradition of Jeffrey Archer's most popular books, Sons of Fortune is as much a chronicle of a nation in transition as it is the story of the making of these two men -and how they eventually discover the truth-and its tragic consequences.

Heads You Win is international #1 bestseller Jeffrey Archer ' s most ambitious and creative work since Kane and Abel, with a final twist that will shock even his most ardent of fans. Leningrad, Russia, 1968: From an early age it is clear that Alexander Karpenko is destined to lead his countrymen. But when his father is assassinated by the KGB for defying the state, Alexander and his mother will have to escape Russia if they hope to survive. At the docks, they have an irreversible choice: board a container ship bound for

America or one bound for Great Britain. Alexander leaves the choice to a toss of a coin... In a single moment, a double twist decides Alexander ' s future. During an epic tale, spanning two continents and thirty years, we follow Alexander through triumph and defeat as he sets out on parallel lives as Alex in New York and Sasha in London. As this unique story unfolds, both come to realize that to find their destiny they must face the past they left behind as Alexander in Russia.

Fourth Estate Jeffrey Archer Richard Armstrong narrowly escaped Hitler's atrocities in Eastern Europe on his courage and his wits—skills that served him well in peacetime. Having turned a struggling Berlin newspaper into a success story seemingly overnight, Armstrong made a name for

the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the SS Kansas Star, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.
