Master the critical-thinking and test-taking skills you need to excel on the prioritization, delegation, and management questions on the NCLEX-RN®. Three sections provide you with three great ways to study. In the first section, you ' ll find individual and multiple client care-focused scenario questions organized by disease process with rationales and test-taking hints. The second section features seven clinical case scenarios with open-ended, NCLEX-style questions. The third section is a comprehensive, 100-question exam.

"This will be very helpful to students studying leadership and management for the NCLEX. The questions are pertinent and well written, and they cover a wide range of topics. This review is a worthwhile resource for student preparation." Score: 96, 4 Stars. --Doody's Medical Reviews Based on an innovative, active learning paradigm, this course review for the Leadership and Management Nursing Skills NCLEX-RN features the use of unfolding case studies to thoroughly engage students while helping them to develop critical thinking and problem-solving skills. Unlike other content review books, this resource builds required content into compelling case scenarios that mimic situations in real-life practice. It features answers and rationales at the end of each chapter and includes 200 questions comprised of 150 multiple choice and 50 alternative NCLEX-RN style questions. The book is also infused with Web links and resources that will keep students engaged and further reinforce realistic decision-making. The review focuses on developing leadership and management competencies, patient care management including advanced directives, ethical and legal issues, organizational management, and delegating responsibilities to other members of the health care team. Students love this innovative approach to learning how to ã think like a nurse í ! Faculty find the case studies useful for clinical make-up assignments. Available in both print and eBook formats, the review is enhanced by the inclusion of URLs linking to resources that expands scope of content and increases content assimilation. Key Features: Promotes active learning through use of unfolding case studies Eschews traditional repetitive question review for an intensified learning experience Provides answers conveniently located at the end of each chapter and rationales for both correct AND incorrect answers Serves as a handy resource for clinical make-up assignments Includes more than 200 questions including 150 multiple choice and 50 alternative NCLEX questions

The thoroughly updated edition reflects the current NCLEX test plan and contains more than 5,000 test questions to help students practice taking the exam. The book contains more questions than any other NCLEX-RN review and includes more pharmacology-related questions.

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. The Ultimate NCLEX-RN® Exam Preparation Guide! New and updated, the Third Edition of the best-selling Pearson Reviews & Rationales: Comprehensive Review for NCLEX-RN® offers a comprehensive outline review of the essential content areas tested on the NCLEX-RN® exam, including critical areas such as management, delegation, leadership, decision-making, pharmacology, and emergency care. These topics are incorporated throughout, with ample practice questions that simulate actual difficulty levels on the NCLEX-RN® exam. Organized by the Categories of Client Needs, each unit represents one of the Categories of Client Needs and contains chapters that integrate concepts from across the nursing curriculum, providing a uniquely synthesized approach to preparing for the real exam. The Third Edition provides students with access to Pearson Test Prep – a new web-based application that enables students to practice for the NCLEX anytime and anywhere using their smartphone, tablet, or computer. Pearson Test Prep includes all 1,600 questions from the book, plus an additional 4,000 questions, and features all NCLEX-style question formats. Students can customize their practice experience to focus on specific topics, question types, and areas of difficulty, or simulate a realistic NCLEX-RN® exam. Detailed reporting features help students identify and focus on improving the areas where they need the most attention so they arrive prepared and confident on test day. **NOTE:** Used books, rentals, and purchases made outside of Pearson Each new book includes an access code valid for one redemption to Pearson Test Prep. If purchasing or renting from companies other than Pearson, the access codes for the Pearson Test Prep may not be included or may be previously redeemed. Critical Thinking in Perioperative Nursing: Skills to Assess, Analyze, and Act is a resource that explains the principles behind critical thinking and how to encourage nurses to use critical thinking methods. This book provides strategies for managers and nurse educators to use in developing critical thinking skills, as well as tools and resources to use in classroom training sessions.

NCLEX-RNÆ EXCEL-Learn to think like a nurse on the exam. NCLEX-RNÆ EXCEL contains the single most effective preparatory tool for success on the exam: the unfolding case study review. Based on the successful NCLEX-RN EXCEL methodology used in the Drexel University program, this is the only review book to utilize the unfolding case study approach to help you master test content. This approach promotes interactive learning through case vignettes and simulation environments, providing a clear, conceptual basis for test content. The unfolding case studies closely mimic real-life situations in nursing, providing situational models that assist students to problem solve, actively engage, and use critical thinking techniques when taking the actual test. Unlike all competing books, this book helps you to contextualize the information you need to pass the test. This innovative methodology is more effective than just practice questions alone, and has resulted in exceedingly high success rates. Key features: A systematic review of content from the new client needs test plan and the updated 2010 test blueprint Skill development in assessment, planning, and evaluation of patient care Rapid Response Tips (RRT) to help master content quickly and easily Key knowledge required for the test built into engaging case vignettes Pharmacology and medication administration principles incorporated into each chapter Full explanations of test answers at the end of each chapter If you want to get past the drudgery of flashcards, endless practice questions, and test-taking tricks-if you want a deeper understanding of the test material-get NCLEX-RNÆ EXCEL.

This comprehensive NCLEX® review program is designed for individual student NCLEX® review. The popular NCLEX® 4000 study software provides more than 4,000 NCLEX®-quality review questions

covering all 29 topics in five major content areas, including fundamentals, pediatrics, psychiatric-mental health, maternal-neonatal, and medical-surgical nursing. The software delivers NCLEX®-style multiple-choice questions and alternate-format questions. Three study modes—pretest, review, and test—give correct and incorrect answers with rationales and new supporting references. NCLEX® 4000 includes important new questions on prioritizing and delegation, a key topic on the NCLEX® exam. Updated to reflect the National Council of State Boards of Nursing's latest test plan, including all forms of alternate-format questions.

Lippincott NCLEX-RN Alternate-Format Questions, 7th edition is designed to help anyone preparing to take the RN licensing examination. This updated 7th edition has everything needed for students to be fully prepared to answer every type of question found on the NCLEX. More than 600 questions include multiple-response, drag-and-drop, hotspot, audio, chart, graphic option, and fill-in-the-blank questions. Also included are two comprehensive tests with 100 questions each. Rationales are clear and detailed and cover correct as well as incorrect answers. Test-taking strategies help students dissect each question to its core components and provide keys to choosing the right answer. The book reviews all the topics covered on the actual NCLEX-RN. Hundreds of questions at the application level or above prompt active learning and higher-order thinking. Questions are aligned with the National Council of State Boards of Nursing (NCSBN) 2019 RN test plan and are written in the style used on the licensing examination. An accompanying PassPoint trial provides an additional opportunity for students to practice for NCLEX while also giving a glimpse of the full PassPoint experience.
