Summary: Chapter XX . The prince eventually finds a road that leads him to a huge rose garden. He is stunned to find so many flowers that look just like his rose, who had told him she was unique. He begins to feel that he is not a great prince at all, as his planet contains only three tiny volcanoes and a flower he now thinks of as common.

Nicholas on Holiday is part of the acclaimed series of classic and much-loved stories about the endearing exploits of the cheeky French schoolboy, Nicholas. All the stories in this volume take place by the sea, during the summer holidays. There are eventful fishing trips, treasure hunts in the middle of the night and a whole new gang of friends with whom Nicholas can get into trouble.

During the spring of 1933, Stalin's police rounded up nearly one hundred thousand people as part of the Soviet regime's "cleansing" of Moscow and Leningrad and deported them to Siberia. Many of the victims were sent to labor camps, but ten thousand of them were dumped in a remote wasteland and left to fend for themselves. Cannibal Island reveals the shocking, grisly truth about their fate. These people were abandoned on the island of Nazino without food or shelter. Left there

to starve and to die, they eventually began to eat each other. Nicolas Werth, a French historian of the Soviet era, reconstructs their gruesome final days using rare archival material from deep inside the Stalinist vaults. Werth skillfully weaves this episode into a broader story about the Soviet frenzy in the 1930s to purge society of all those deemed to be unfit. For Stalin, these undesirables included criminals, opponents of forced collectivization, vagabonds, gypsies, even entire groups in Soviet society such as the "kulaks" and their families. Werth sets his story within the broader social and political context of the period, giving us for the first time a full picture of how Stalin's system of "special villages" worked, how hundreds of thousands of Soviet citizens were moved about the country in wholesale mass transportations, and how this savage bureaucratic machinery functioned on the local, regional, and state levels. Cannibal Island challenges us to confront unpleasant facts not only about Stalin's punitive social controls and his failed Soviet utopia, but about every generation's capacity for brutality--including our own.

The fifth book in the series about the much-loved cheeky French schoolboy and his friends. In this new collection of adventures, things are never easy for Nicholas and his gang: the shopkeeper won't let them buy chocolate, their teacher won't let them play Geoffrey's

Karen Offen offers a magisterial reconstruction and analysis of the debates around relations between women and men, how they are

Download Free Le Petit Nicolas Chapter Summaries In English

constructed, and how they should be organized, that raged in France and its French-speaking neighbors from 1870 to 1920. The 'woman question' encompassed subjects from maternity and childbirth, and the upbringing and education of girls to marriage practices and property law, the organization of households, the distribution of work inside and outside the household, intimate sexual relations, religious beliefs and moral concerns, government-sanctioned prostitution, economic and political citizenship, and the politics of population growth. The book shows how the expansion of economic opportunities for women and the drop in the birth rate further exacerbated the debates over their status, roles, and possibilities. With the onset of the First World War, these debates were temporarily placed on hold, but they would be revived by 1916 and gain momentum during France's post-war recovery.

An autobiographical novel of growing up in the multicultural environment of contemporary France tells the story of Azouz Begag, the son of an illiterate Algerian immigrant in Lyon and his coming of age in a world of ethnic and racial tensions.

Laurent Dubois weaves the stories of slaves, free people of African descent, wealthy whites and French administrators into an
