all with a way to being as successful as those 'lucky few'.

This book is for anyone wrestling with a mental disorder & needing to get the upper hand. Master your Mind should help you to alleviate any feelings of fear, hopelessness or isolation that you may have; to take greater control over your illness; to make the most of the treatments & services that are available to you; and ultimately to improve your chances of once again leading a healthy, productive & fulfilling life.

Based on a program originally developed for young people seeking purpose and direction in their lives, Dr. John Demartini's Inspired Destiny has deep meaning for readers of all ages. Whether you're a young adult or simply young at heart, it will awaken you to your inspired destiny. Do the simple exercises in each chapter and apply what you learn here, and you will come away from this book with an immense vision of yourself, understanding the real difference between being a leader or follower, and see how to set an example for others by doing what you love. You'll set in motion a far-reaching "ripple

effect," beginning the journey of mastering and living a meaningful and inspiring life.

"If you are serious about gaining more confidence, you must get this book!" --Robert Allen, bestselling author of *The One Minute Millionaire* Imagine having the confidence and courage to go after your goals: a successful career; a rewarding relationship; a richer, fuller life. If you can dream it, you can do it--using the scientific methods of NeuroLinguistic Programming (NLP). Through NLP, author Kent Sayre transformed himself from a painfully shy introvert into one of the nation's most dynamic NLP trainers. He's taught thousands how to break out of their shells and go after their dreams. Now, with his proven system, you too can harness the power of NLP and: Blast out of your comfort zone Shatter your limiting beliefs Boost your confidence--instantly! This isn't a collection of "pie in the sky" theories and "go for it" pep talks. It's a step-by-step program of ready-to-use tools, verbal and nonverbal techniques, and practical thinking exercises that direct your mind toward your goals. You'll be

amazed how easy it is to interact with others; embrace opportunities; and enjoy parties, activities, work functions, and more. "This wonderful book will give you the boost toward success that can make all the difference!" --Brian Tracy, author of Maximum Achievement

In a world which is changing so rapidly, it's easy to lose confidence. Sure-fire personal security seems to be increasingly rare, relationships come and go. Many people are now searching for answers. How do you decide where to anchor yourself? What if you could make your vision happen? Sheila suggests that being happy and content, feeling serenity deep inside, are not rewards to be reserved for other people. We are all entitled to them! An average story tells. A good story guides. Sheila's book illustrates, demonstrates and gradually inspires you to wake up to who you truly are, so you can achieve greater success and happiness. Her personal tale is packed with honest stories, insights and straightforward advice, an invigorating breath of fresh air in a tough and complex world. She offers insight and the gentlest of spiritual guidance for those on the brink of curiosity and with a desire to learn more. Without promoting any single answer, Sheila introduces theories and ideas that you can think about, in bite-sized morsels you can digest with ease. She invites you to let go of your past, become fully engaged with the here-and-now, and open your

mind to a more inspiring future. Fifteen years ago Sheila Steptoe was a happy, average housewife. Then suddenly the rug was pulled out from under her. As she slowly healed, she transformed her life and if Sheila can do this, maybe so can you. Let this book be your first step to freedom no-one else can do it for you! "This book is amongst my top 5 favourite self-help books

Your Destiny Switch isn't just another self-help book. It's a powerful concept and process that can consciously and creatively transform your life. You could call it a paradigm shift in creative consciousness, a shift that speaks to your demand for a richer and more experiential engagement in your quest for growth. More than a book, Your Destiny Switch allows you to balance your key emotions in order to reach your destiny. Peggy McColl supports this work with a wealth of reference materials that provide an abundance of valuable and usable life-changing tools: state-shifters, the scale of human emotions, performance indicators, measurement tools, and a daily and weekly destiny planner. This book will help you understand your own creative power by way of your emotions and, more important, show you how to use this power to create desired results by tapping into a powerful energy source within.
