started as the companion exercises for Ahimsa Dog Training classes in Seattle. It has practical exercises that start from a basic level and work up through advanced work on the most important behaviors for dogs to know. This quick manual is helpful for dog trainers to use with clients or new ideas for exercises and for breeders to share with new puppy parents. Includes info on how dogs learn, clicker training, how to get rid of bad behaviors (puppy biting, fear/aggression, separation anxiety, etc.), and how to teach good behaviors, like coming when called, the name, watch, relaxation, sit, down, stay, wait, touch, walking on leash, give, go to your bed, and more!

to educate staff and volunteers in providing professional, compassionate care for the terminally ill patient. Now, the entire training program has been revised and completely rewritten in this 272 page Volunteer Manual. The manual is designed as a workbook for the newly refilmed 7 DVD My Gift: Myself training series, but can be used alone as an excellent training tool and reference guide for hospice volunteers. The Hospice Volunteer Manual presents seven comprehensive chapters of training covering: 1. What's It All About? "Concepts in End Of Life Care" where caregivers explore the Hospice concept and learn what end of life care is all about. 2. What Can I Do? "Activities and Interventions" that caregivers can engage in to provide

effective comfort and support to their patients and patient families. 3. The Greatest Gift "Learning to Listen With Love" focuses on developing the communication skills that are at the heart of successful support systems. 4. Physical Care "When A Patient Is Dying" describes what to expect from patients with different diagnoses and how to provide the best final care. 5. Things Of The Spirit "Providing Spiritual Care" coaches caregivers on ways to be sensitive to a dying person's spiritual needs. 6. A Time For Grief "Understanding The Grief Process" looks at one of the most important parts of care of the terminally ill: offering effective and appropriate support for the grieving family. Here caregivers learn how to process their own grief and to understand the grief of others. 7.

The first step into a new craft can be overwhelming: Where to start? What tools to buy? What projects to begin with? Thanks to author and internationally acclaimed woodcarver Chris Pye, this guide is filled with everything a beginning woodcarver needs to know. Chris Pye's Woodcarving Course & Reference Manual is akin to having a one-on-one course with a master carver. You'll learn what to look for in a workbench, the importance of commissioning your carving tools – there's more to it than just sharpening! – and how to make

exacting cuts and execute a variety of techniques. Like any good instructor, Pye includes practice exercises to make you comfortable with the tools and techniques so you can build your skills and carve with confidence. Pye's conversational teaching style will encourage you as you follow the step-by-step instructions and work on a number of motifs, as well as projects for low, high, and pierced relief, and in-the-round. With the help of Chris Pye, you'll learn to carve: four types of molding, a beautiful koi project in three levels of relief carving, a realistic baseball cap in-the-round, and a charming wren in-the-round.

of the universe, the potential vested in each human life and the bubble of the evolution theory and so-called science. This discourse is for those searching for answers and inspiration. It will call the frivolous soul to attention and demand duty from its bearers. It is a wakeup call to the slothful and a harsh reminder to the proud. But it is more than that; this book identifies with all who are poised to accomplish their dreams. It unleashes a strong sense of purpose that would resurrect lost aspirations and ignite flames of achievement and eternal outcomes. The issues raised demand your thorough attention if you will profit from the wisdom shared. They are instructive to the thinking mind. This book is a treasure field. But it must be mined.
