Preparing students to be active, informed, literate citizens is one of the primary functions of public schools. But how can students become engaged citizens if they can't read, let

Get Free Newspaper Layout For 5th Grade

alone understand, their social studies texts? What can educators--and social studies teachers in particular--do to help students develop the knowledge, skills, and motivation to become engaged in civic life? Building Literacy in Social Studies addresses this question by presenting both the

instructions--for activities such as *
Building vocabulary, * Developing
textbook literacy skills, * Interpreting
primary and secondary sources, *
Applying critical thinking skills to
newspapers and magazines, and *
Evaluating Internet sources. Readers
will also learn how to organize
