5.0 out of 5 stars One Last Dram Before Midnight. Reviewed in the United Kingdom on 13 September 2017. Verified Purchase. It was great to revisit the short stories I had already read and I really enjoyed the new ones. Denzil Meyrick has a knack of making the reader feel as though they are actually in Kinloch watching everything as it happens.

When rich American hotelier Alice

Wenger arrives in Kinloch there are more than a few raised eyebrows. Her real name is Alison Doig, and as a teenager she disappeared over thirty years ago under odd circumstances. Many presumed her dead. The Doig family have a dark history, with rumours of wrecking, smuggling, stolen gold and cruelty. A computer with human-like qualities of artificial intelligence develops criminal obsessions and takes over the completely automated home of Susan Harris

Untamable. Damaged. Angry. Once full of promise and life, now a fiery knot of resentment and detachment. This is the story of Dream of Night, an injured and abused racehorse. It's also the story of Shiloh, a sarcastic eleven-year-old foster child. By chance, Dream of Night and Shiloh both find themselves under the care of Jessalyn DiLima. Just in time—it's a last chance for them both. Jess fosters animals and kids like Dream of Night and Shiloh for a reason—she's a little broken, too. And as the three of them become an unlikely family, they recognize their similarities in order to heal their pasts—but not before one last tragedy threatens to take everything away.

A fabulous collection of short stories by Peter James, combining ebook bestsellers Short Shockers One and Short Shockers Two, with a never-seen-before collection of new material.

The steps of a charmingly complex dance—Scotland's famous reel—are at the heart of Hester Browne's enchanting contemporary novel of two very different sisters whose dreams may come true at a romantic Scottish ball. Evie Nicholson is in love . . . with the past. An antiques appraiser in a London shop, Evie spins fanciful attachments to Victorian picture frames, French champagne glasses, satin evening gloves, and tattered teddy bears—regardless of their monetary value. Alice Nicholson is in love . . . with Fraser Graham, a dashing Scotsman whom Evie secretly desires. As crisply neat and stylish as Evie is cheerfully cluttered, Alice is a professional organizer determined to pull her sister out of her comfort zone—and who presents her with an irresistible offer. As a favor to friends of Fraser's family, Evie jumps at the chance to appraise a Scottish castle full of artifacts and heirlooms. What could be more thrilling than roaming the halls of Kettlesheer and uncovering the McAndrews' family treasures—and dusty secrets? But crossing paths with moody heir Robert McAndrew has Evie assessing what she wants the most . . . and at an upcoming candlelight gala, a traditional dance will set her heart reeling.

A heartbreaking tale of love, loss and one nearly perfect summer -- perfect for fans of The Fault In Our Stars and Love, Simon. Seventeen-year-old Katie Price has a rare disease that makes exposure to even the smallest amount of sunlight deadly. Confined to her house during the day, her company is limited to her widowed father and her best (okay, only) friend. It isn't until after nightfall that Katie's world opens up, when she takes her guitar to the local train station and plays for the people coming and going. Charlie Reed is a former all-star athlete at a crossroads in his life - and the boy Katie has secretly admired from afar for years. When he happens upon her playing guitar one night, fate intervenes and the two embark on a star-crossed romance. As they challenge each other to chase their dreams and fall for each other under the summer night sky, Katie and Charlie form a bond strong enough to change them -- and everyone around them -- forever.

The Other Side of Midnight is Sidney Sheldon at his best. This page-turner is full of tortured romantic entanglements, reverses of fortune, thrilling suspense, and ultimate justice. In Paris, Washington, and a fabulous villa in Greece, an innocent American becomes a bewildered, horror-stricken pawn in a game of vengeance and betrayal. She is Catherine Douglas, a woman caught in a web of four lives intertwined by passion as her handsome husband pursues an incredibly beautiful film star . . . and as Constantin Demeris, a legendary Greek tycoon, tightens the strands that control them all.
