up in all my activities. I believe that I will be successful because she is successful. Sometimes the reason why you are not reaching your goal in life is because you have no one to take inspiration from. You can be the most intelligent person on earth but you still need a source of inspiration. You need people with great qualities, integrity and characteristics to speak vision into your life. You may think that you are already successful and therefore don't need anyone, but you don't have to limit your potential. However successful you may be, there will always be someone better than you in a particular area.
