This book will prepare learners to study effectively in English at university level. It provides practice in developing essential skills for academic study, such as critical thinking, effective note-taking, citation and referencing, summarizing and paraphrasing, and avoiding plagiarism. This teacher's handbook provides support that both experienced and less-experienced EAP teachers will find useful.–From back cover.

Put theory into practice with with exercises which test your knowledge and challenge your understanding

Gives students further practice in academic study skills. Students analyse characteristics of written and spoken academic texts, develop awareness of academic culture and learn to avoid plagiarism. From essay organisation, taking notes, group discussion to writing references and paraphrasing texts.

Pathways, Second Edition, is a global, five-level academic English program. Carefully-guided lessons develop the language skills, critical thinking, and learning strategies required for academic success. Using authentic and relevant content from National Geographic, including video, charts, and other infographics, Pathways prepares students to work effectively and confidently in an academic environment.
