A testament to inspirational women throughout literature, Erin Blakemore's exploration of classic heroines and their equally admirable authors shows today's women how to best tap into their inner strengths and live life with intelligence, grace, vitality and aplomb. This collection of unforgettable characters—including Anne Shirley, Jo March, Scarlett O'Hara, and Jane Eyre—and outstanding authors—like Jane Austen, Harper Lee, and Laura Ingalls Wilder—is an impassioned look at literature's most compelling heroines, both on the page and off. Readers who found inspiration in books by Toni Morrison, Maud Hart Lovelace, Ursula K. LeGuin, and Alice Walker, or who were moved by literary-themed memoirs like *Shelf Discovery* and *Everything I Needed to Know About Being a Girl I Learned from Judy Blume*, get ready to return to the well of women's classic literature with *The Heroine's Bookshelf*.

Jane Austen's novels are loved because they possess a comedic power that is often conveyed through the singular voice of the narrators. Film adaptations, however, have often been unsatisfactory because they lack or awkwardly render features, particularly the voice of the narrators. This work argues for a fresh approach that begins with a reading of the novels that emphasizes their auditory and visual dimensions. Building on their examination of Austen's inherently cinematic features, the authors then develop productive new readings of the films. Instructors considering this book for use in a course may request an examination copy [here](#).
