In ron rice, ed purchase college papers. The art of representation addresses how people interacted with human beings. Review of general ability. Ct and london routledge, greenwich. Avoid contractions, abbreviations, acronyms, and nicknames.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Writing Papers in College provides clear, concise guidance on a comprehensive range of composition topics--writing, research, and grammar--in a portable size and at a low price. Writing Papers in College guides students through all stages of the writing process--while also offering essential organizational strategies--using brief instruction that delivers just enough detail to help students be effective writers. Rather than weigh students down with an overly complicated presentation or belabored concepts, Writing Papers keeps advice short and sweet so that students spend less time reading about writing and more time focusing on their own work. 0321881745 / 9780321881748 Writing Papers in College: A Brief Guide with NEW MyCompLab -- Access Card Package Package consists of: 020502906X / 9780205029068 Writing Papers in College: A Brief Guide 020589190X / 9780205891900 NEW MyCompLab - Valuepack Access Card

“[A] stunning tale of academic fraud . . . shocking and compelling.”—The Washington Post Dave Tomar

Online Library Purchase College Papers

wrote term papers for a living. Technically, the papers were “study guides,” and the companies he wrote for—there are quite a few—are completely aboveboard and easily found with a quick web search. For as little as ten dollars a page, these paper mills provide a custom essay, written to the specifics of any course assignment. During Tomar's career as an academic surrogate, he wrote made-to-order papers for everything from introductory college courses to Ph.D. dissertations. There was never a shortage of demand for his services. The Shadow Scholar is the story of this dubious but all-too-common career. In turns shocking, absurd, and ultimately sobering, Tomar explores not merely his own misdeeds but the bureaucratic and cash-hungry colleges, lazy students, and even misguided parents who help make it all possible.

With a new preface: A “stunning” analysis of the troubled Republican president by the Pulitzer Prize-winning author of Lincoln at Gettysburg (The New York Times Book Review). In this acclaimed biography that earned him a spot on Nixon's infamous “enemies list,” Garry Wills takes a thoughtful, in-depth, and often “very amusing” look at the thirty-seventh US president, and draws some surprising conclusions about a man whose name has become synonymous with scandal and the abuse of power (Kirkus Reviews). Arguing that Nixon was a reflection of the country that elected him, Wills examines not only the psychology of the man himself and his relationships with others—from his wife, Pat, to his vice-president, Spiro Agnew—but also the state of the nation at the time, mired in the Vietnam War and experiencing a cultural rift that pitted the young against the old. Putting his findings into moral, economic, intellectual, and political contexts, he ultimately “paints a broad and provocative landscape of the nation's—and Nixon's—travails” (The New York Times). Simultaneously compassionate and critical, and raising interesting perspectives on the shifting definitions of terms like “conservative” and “liberal” over recent decades, Nixon Agonistes is a brilliant and indispensable book from one of America's most acclaimed historians.

The outspoken former mayor of New York City describes his life-long battle against anti-Semitism and its influence on campus, in the media, on the streets of New York, and in Washington, in a collection of interviews, letters, and speeches that span his political career. 30,000 first printing.
