From personal income tax to corporation tax, and from VAT to oil and gas taxation, this is your one-stop guide to revenue law in the UK. Split into 16 chapters, it will tell students all they need to know for their courses and exams, and it will help professionals to keep their knowledge of the subject fresh. Summary sections of Essential Facts and Essential Cases will help you to identify, understand and remember the key elements of revenue law.

Discover how the law of evidence operates within Scotland, and in the larger context of UK and European laws of evidence. The new edition has been updated to take account of case law developments since the last edition, plus the Double Jeopardy (Scotland) Act 2014, the Criminal Justice (Scotland) Act 2016 and changes made to the law on vulnerable witnesses by the Victims and Witnesses (Scotland) Act 2014. Helpful student features include Essential Facts and Essential Cases for each chapter.

Examines the influence of classical philosophy on revenge narratives by Shakespeare and his contemporaries

other sources; take your study international with a guide to sources from Europe and further afield; and sail through your coursework and exams with handy tips for legal writing and research.

The law of contract forms the basis of our civil society. Without the law of contract we could not buy food, clothing or a place to live, nor could we book holidays, run a business or manage a football club. But contract law is complex and intricate, and disputes over contracts have led to a wealth of court cases over the years. This updated third edition gives you a clear and concise guide to the basics of the law of contract as it pertains to Scotland, from what a contract is to how they are formed, terminated and breached, and from third-party rights to cross-border contracts.

Looking at the UK and Scotland, Public Law Essentials is an invaluable guide for law students throughout the United Kingdom and for practising lawyers needing a quick reference. From the monarchy to the UK and Scottish parliaments, and from judicial review to the parliamentary ombudsman, this fully updated second edition gives you all the coverage of public law that you need for your course, your exams and your practice. In particular, the Scots law sections have been updated in light of the Smith Commission and the Scotland Bill 2015-16. Handy reference sections include tables of cases, statutes and conventions, and summaries of essential facts and cases.

From defamation to dangerous animals, and from negligence to nuisance, Delict Essentials will introduce you to the Scots law of delict. Fully updated for the third edition, this concise guide will give you the key facts that you need, whether you're a busy law student revising for those all-important exams or a professional practitioner looking to brush up on your knowledge. It will also be useful for those studying comparative criminal law or tort across different jurisdictions.

A clear and concise study and revision guide for students of family law

in Scotland Covering all the major legislation, Scottish Family Law is designed for new students of the subject. It gives you a framework for understanding how family law operates and will help you to prepare for your exams. Each chapter includes lists of essential facts and cases to illustrate how the rules described are applied in practice. Key Features Takes full account of the substantial statutory developments in the field since the Family Law (Scotland) Act 2006 Covers two major recent Acts: the Childrens Hearings (Scotland) Act 2011 and the Marriage and Civil Partnership (Scotland) Act 2014 Includes important new legislation such as the Adoption and Children (Scotland) Act 2007 and the Human Fertilisation and Embryology Act 2008

EU law has greatly influenced national law in Scotland, the UK and the rest of Europe. As a result, private international law is an essential area of study and of increasing importance to lawyers throughout the EU. Private International Law Essentials is the concise guide to private international law that you need, whether you're studying, revising or a practicing lawyer looking for a summary the law in UK jurisdictions. David Hill looks at the key elements and issues of private international law, as well as the statutes and Conventions (e.g. Brussels, Lugano) and EU Regulations applying throughout the UK.

This is the 7th Edition of John Tiley's major text on revenue law, now massively restructured to focus upon the UK Tax system, Income Tax, Capital Gains Tax, and Inheritance Tax. What were previously sections dealing with Corporation Tax, International and European Tax, Savings and Charities have been spun-off to an entirely new book entitled Advanced Topics in Revenue Law. While this narrowing of the scope of Revenue Law means that it focuses on the most important UK taxes, its reduced size also makes it a more manageable and portable volume for law students and practitioners. As with previous editions, the text has been revised to incorporate changes wrought by new enactments in the past four years. This, however, remains the only book on tax law which continues to explain the new law found in

ITEPA, ITTOIA and ITA in light of its legislative predecessors, with references to the former enactments still remaining where relevant. Those familiar with the old law of income tax but wanting to find their way round the new will find this work particularly valuable. The book is designed for law students taking the subject in the final year of their law degree course or for more advanced courses and is intended to be of interest to all who enjoy tax law. Its purpose is not only to provide an account of the rules but to include citation of the relevant literature from legal periodicals and some discussion of, or reference to, the background material in terms of policy, history or other countries' tax systems.
