On a cold day in January, President-elect Kerry Kilcannon takes the oath of office—and within days makes his first, most important move: appointing a new Chief Justice of the Supreme Court. Kilcannon's choice is a female judge with a brilliant record. And a secret. While the Senate spars over Caroline Masters's nomination, an inflammatory abortion rights case is making its way toward the judge—and will explode into the headlines. Suddenly, the most divisive issue in America turns the President's nomination into all-out war. And from Judge Masters to a conservative, war-hero senator facing a crisis of conscience and a fifteen-year-old girl battling for her future, no one will be safe.

'She was a girl, really, with short red hair and a waif-like slimness. But despite the flowered dress she wore, her belly had begun to show. Immobile, the girl gazed at the clinic as though it were a thousand miles away.' The young woman is Mary Ann Tierney. She is fifteen years old. Within days her name will be known to millions across America, her court case a television must-watch for everyone from the President downwards. As Mary Ann takes on her own parents and the constitutional law of the United States in a desperate bid to protect her future right to bear children, the ramifications of 'the Tierney case' bring a threat to the new President, Kerry Kilcannon, to his nominee for Chief Justice, Caroline Masters, and to his main rival for the Presidency, Senator Chad Palmer. All have dangerous secrets in their past,

Kilcannon believes he can make the system work. And he just may die trying. Driven by the violent nightmare of his childhood, fueled by forces that few could understand, and burdened by secrets no one must know, Kilcannon is running for President—and entering the crucial battleground of California with seven days to go. But for Kilcannon, there are hurdles that his courage, charisma, and compassion may not overcome: the network correspondent he still loves; the reporter bent on their exposure; the rival who'll do anything to win; and the fanatic who believes that he must murder Kilcannon to protect the right to life. . . .

on those closest to him, Adam struggles to protect them from those who still suspect that his father was murdered by one of his kin. But the sternest test of all is Adam's proximity to Carla Pacelli--his late father's mistress; and a woman who, despite being pivotal to his family's plight, Adam finds himself increasingly drawn to. The closer he gets to this beautiful, mysterious woman, the further Adam feels from his troubles. Yet the closer he also comes to revealing the secrets he's strived to conceal, and condemning the people he's so hard fought to protect. An acknowledged master of the courtroom thriller, Patterson's Blaine trilogy, a bold and surprising departure from his past novels, is a complex family drama pulsing with the tumult of the time and "dripping with summer diversions, youthful passion and ideals, class tensions, and familial disruptions."
