Scaling a business is not for the faint of heart. It ' s a mind-bending journey that causes millions of business owners around the globe to either throw in the towel—or avoid risk entirely and suffer from smallness and mediocrity. Most of these businesses fail because they are ill prepared to face the real challenges involved in scaling. Then you must be willing to take the leap into the giant unknown – to make your impossible possible. In Scale or Fail, author Allison Maslan—who has successfully scaled ten companies from scratch and has guided thousands of small businesses to do the same—shares her revolutionary SCALEIt Method ® for successfully growing, replicating, and expanding your business.
