down. She has one hell of a secret that will change her and Stefan's life forever.

I'd always been different. I saw objects in the night where others saw emptiness. Large, human shaped shadows, fierce yet beautiful, melting into the darkness. I

Shadow

collected secrets like
other women
collected bells; afraid
to fully trust lest my
oddities be exposed.
Until I saw him. He'd
been gliding down
the street, unshakable
confidence in every
step. It wasn't just
that he was
breathtakingly
handsome with
perfect features.

Shadow

Something about him
drew me. Sucked my
focus to him and then
tugged at my body.

As his eyes met mine,
I was entrapped. No
one had noticed him.
He'd been right there,
just beyond the light,
but only I had
perceived. I had to
know if he was real.

Or maybe I really was
crazy. And even when

Access Free Shadow

my secret box was
blasted wide open,
dangers hurled at me
like throwing knives, I
couldn't stop until I
unraveled his true
identity. I just had to
know.

Jonas isn't the kind of

expectations of
others, even when his
life is on the line. So

When he wakes up in the cell of a dungeon with torture devices hanging on the wall, he can only think one thing: this should be fun. What he didn't expect, however, is the beautiful but broken female pitting herself against his resolve. For once, the pain of his past is shallow in

comparison to
another, and he wants
nothing more than to
extinguish her pain.
When Sasha realizes
one of her own has
been taken, the
gloves come off.
Using her ever-
expanding resources
of both human and
non-human magic
workers, she sets out
to battle the most

advanced, most experienced magic worker in the world. Regardless of being completely outmatched, Sasha and Stefan rush to Jonas' aid.

"I loved the darkness, but I also craved the light. The night called to my magic, the day to my spirit." * * *

Sasha has always known she was different, but now she also knows that the shadow men she's seen all her life, are real. With a life goal of fitting in, Sasha hopes her strange abilities will finally make true friendship a possibility.

Unfortunately, her magic doesn't

everyone else's. What she thought would make her belong, sets her apart now more than ever. Stefan, all but promised to a different woman, has tried to keep his mind on his duties instead of the irresistible and free-spirited human. But when she is threatened, he can't

anymore. He'll stop at
nothing to keep her
safe, and more
importantly, make her

thing clicks into

Stefan's clan isn't the
only group that
would benefit from an
extremely rare type
of magic. And their

Charles is a guy that
likes to play the field.
He's highly sought
after in the Mansion,
both for his prowess,
and his position. He's
content to stay the

playboy for life, too, steeped in the culture in which he was raised. That is, until he finds himself on a mission with Ann, trying to figure out why shifters are mysteriously going missing. Suddenly things that were so clear cut, get muddled. When Ann succumbs to the

danger that is
plaguing her kind, all
bets are off.

It's been a long road,
but Sasha has finally
claimed her role as
the least knowledge
mage in history. She's
also acquired a new,
incredibly grumpy
bodyguard, and a
spunky new BFF.

With her team by her

side, she learns the ropes of this new profession. Her experience level is about to be fast-tracked, however. On a routine trip to check out a perimeter breach, she encounters a hideous demon called by an experienced magic worker. It is this terrifying discovery

that unlocks a deeper problem: Stefan's troubled past and the reason he gravely mistrusts the Mata. While Sasha struggles to fight the physical demons, Stefan struggles to fight the demons of his past. If he fails, his future in Sasha will be lost.

With Sasha as the proclaimed Mage of high ranking power, she can't just slip under the carpet to a peaceful existance. Instead, she must present herself to the Council, a group of white mages who reside over the magical community, governing Stefan's people. There she

Access Free

Shadow

must prove she has what it takes to be the mage of Stefan's clan, not something easily done. Stefan, too, has been noticed by the large faction of rulers. An alpha leader with a firm hold over his people, he has outgrown in his position, and it shows. Ties to a human mage with a vast well of

power, though, has made him a target. Sasha is sought after, and those who want to harness her power will take her by force if necessary. With Dominicus' and Toa's help, Sasha and Stefan must face the trials coming up. Proving themselves is the easy part. Getting out with their lives

challenge.

Darkness 6

Life for Sasha isn't getting easier. She has survived run-in's with monstrous Dulcha, lived through an abduction, and even made it passed Charles' constant badgering for sex. But if she thought the hurdles of this new

life were behind her,
she was dead
wrong. When the
Regional comes to
visit Stefan's clan, the
pressure increases.
Sasha finds herself on
a giant scale, assessed
for her magic and
held in the balance. If
she doesn't have the
magic Stefan hopes,
she could find herself
on the street while

still in grave danger. Even with a favorable outcome, however, her inability to use her magic presents a road block not easily crossed. No, life is not getting easier. Stefan feels the heat, too. He must finally declare a mate, and admitting his desire for a human is the worst form of taboo. He

could jeopardize not only his place as leader, but his and Sasha's life. His decision is like walking on a razor's edge.

Reunited with her people, Shanti knows that she must make a move in order to finally put her duty to rest. But as always,

Access Free Shadow

Xandre is one step ahead of her. For one brief moment when she lets down her guard, Shanti falls into enemy hands. But if Xandre thought she would be a docile prisoner, he was sadly mistaken. With Shanti running interference, it is up to the boys she has trained, and the army Cayan leads,

Shadow

to fight their way to her side. The fate of the land will finally be decided. Which side will be overtaken?

After her husband's mangled corpse disappears from the morgue, Rachel is stalked by a mysterious stranger who is seeking revenge on her.
