Duarte is the author of several books, including slide:ology: The Art and Science of Creating Great Presentations (2008), Resonate: Present Visual Stories that Transform Audiences (2010), the HBR Guide to Persuasive Presentations (2012), and Illuminate: Ignite Change Through Speeches, Stories, Ceremonies and Symbols (2016).

Presents practical approaches for developing an effective presentation, covering such topics as creating diagrams, displaying data, arranging elements, creating movement, and interacting with slides.

No matter where you are on the organizational ladder, the odds are high that you've delivered a high-stakes presentation to your peers, your boss, your customers, or the general public. Presentation software is one of the few tools that requires professionals to think visually on an almost daily basis. But unlike verbal skills, effective visual expression is not easy, natural, or actively taught in schools or business training programs. slide:ology fills that void. Reveals the underlying story form of all great presentations that will not only create impact, but will move people to action Presentations are meant to inform, inspire, and persuade audiences. So why then do so many audiences leave feeling like they've wasted their time? All too often, presentations don't resonate with the audience and move them to transformative action. Just as the author's first book helped presenters become visual communicators, Resonate helps you make a strong connection with your audience and lead them to purposeful action. The author's approach is simple: building a presentation today is a bit like writing a documentary. Using this approach, you'll convey your content with passion, persuasion, and impact. Author has a proven track record, including having created the slides in Al Gore's Oscar-winning An Inconvenient Truth Focuses on content development methodologies that are not only fundamental but will move people to action Upends the usual paradigm by making the audience the hero and the presenter the mentor Shows how to use story techniques of conflict and resolution Presentations don't have to be boring ordeals. You can make them fun, exciting, and full of meaning. Leave your audiences energized and ready to take action with Resonate.

FOREWORD BY GUY KAWASAKI Presentation designer and internationally acclaimed communications expert Garr Reynolds, creator of the most popular Web site on presentation design and delivery on the Net — presentationzen.com — shares his experience in a provocative mix of illumination, inspiration, education, and guidance that will change the way you think about making presentations with PowerPoint or Keynote. Presentation Zen challenges the conventional wisdom of making "slide presentations" in today ' s world and encourages you to think differently and more creatively about the preparation, design, and delivery of your presentations. Garr shares lessons and perspectives that draw upon practical advice from the fields of communication and business. Combining solid principles of design with the tenets of Zen simplicity, this book will help you along the path to simpler, more effective presentations.

Discusses how readers can make persuasive presentations that inspire action, engage the audience, and sell ideas.

'Illuminate' demonstrates how, though the power of persuasive communication, one can turn an idea into a movement, as compared with the likes of Steve Jobs, Dr. Martin Luther King, Jr., Starbucks, IBM, and more.

In his internationally acclaimed, best-selling book Presentation Zen: Simple Ideas on Presentation Design and Delivery, presentation master Garr Reynolds gave readers the framework for planning, putting together, and delivering successful presentations. Now, he takes us further into the design realm and shows how we can apply time-honored design principles to presentation layouts. Throughout Presentation Zen Design, Garr shares his lessons on designing effective presentations that contain text, graphs, color, images, and video. After establishing guidelines for each of the various elements, he explains how to achieve an overall harmony and balance using the tenets of Zen simplicity. Not only will you discover how to design your slides for more professional-looking presentations, you ' ll learn to communicate more clearly and will accomplish the goal of making a stronger, more lasting connection with your audience.

Readers will learn to understand the story behind the data and how to influence the people with a DataStory.

Your guide to becoming an explanation specialist. You've done the hard work. Your product or service works beautifully - but something is missing. People just don't see the big idea - and it's keeping you from being successful. Your idea has an explanation problem.
