The new edition of Sociology helps students take Sociology with them on campus, in their careers, and in their communities. While still maintaining its well-balanced coverage of the 3 perspectives, this new revision has a strong focus on encouraging students to think about their world with a sociological imagination. Through its strong coverage of globalization, race and ethnicity, careers in sociology, and current topics like mass media and social policy, Sociology provides students with knowledge they can use at school, at work, in their neighborhoods, and in the global community.

Sociology: A Brief Introduction invites students to take sociology with them in their daily lives. This successful student-friendly program includes strong coverage of race, ethnicity, and globalization. The approachable material encourages students to develop their sociological imaginations and start to think like a sociologist. Paired with Connect, a personal and adaptive learning experience, students learn to apply sociology's three theoretical frameworks to the world around them.

Three basic premises guide this highly successful introductory text - first that theory and research must be both comprehensive and clear, second that the text must show how sociology is relevant both to the study of society and to students' lives, and third that sociology can play a valuable role in teaching critical thinking skills. To that end, this solid, well-respected text combines a balanced three-perspective approach with excellent student-oriented examples, and distinctive social policy sections in a concise presentation that offers an alternative to full-length books.

Like its predecessors, the tenth edition of this text reflects Rick Schaefer's mission to bring readers a comprehensive, up-to-date presentation that teaches them how to think critically about society and their own lives from a wide range of classical and contemporary perspectives. Combining balanced coverage of theory with current research findings, distinctive social policy sections, examples of interest to students, and abundant learning aids and exercises, this text will help students develop a sociological imagination. "The introductory sociology class provides the ideal laboratory in which to study our own society and those of our global neighbors. The distinctive emphasis on social policy found in this text shows students how to use the sociological imagination in examining such public policy issues as sexual harassment, the AIDS crisis, welfare reform, the death penalty, and privacy and censorship in an electronic age." Richard T. Schaefer

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Understand the Changing Dynamics of the U.S. Population The 13th edition of Schaefer's Racial and Ethnic Groups places current and ethnic relations in a socio-historical context to help readers understand the past and shape the future. This best-selling Race & Ethnic Relations text is grounded in a socio-historical perspective with engaging stories and first person accounts. Race and Ethnic Groups helps students understand the changing dynamics of the U.S. population by examining our history, exploring our current situation, and discussing concerns for the future. This text provides an accessible, comprehensive, and up-to-date introduction to the present issues that confront racial and ethnic groups in the U.S. and around the world. It incorporates the most current statistics and data in the marketplace including the most recent census. Teaching & Learning Experience Personalize Learning -- The new MySocLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. Improve Critical Thinking -- Robust end-of-chapter materials provide students with chapter summary and study materials that help them develop critical thinking skills. Engage Students -- Every chapter contains first-hand commentaries that demonstrate the diversity of various groups. Explore Research -- Research intertwined with information on current events and demographics provide a modern view of our society. Understand Diversity -- Detailed coverage of multiple racial, ethnic, and other minority groups provide students with an extensive view of diverse relations. Support Instructors -- Strong supplements package with author-reviewed activities and assessments in MySocLab. Note: MySocLab does not come automatically packaged with this text. To purchase MySocLab, please visit: www.mysoclab.com or you can purchase a valuepack of the text + MySocLab (at no additional cost). ValuePack ISBN-10: 0205248152 / ValuePack ISBN-13: 9780205248155

Make Sociology new with McGraw-Hill's Connect Sociology and the 2nd edition of Sociology in Modules. New to Connect is Investigate Sociology, a brand-new tool that develops students' sociological imaginations by placing them in provocative scenarios where they must analyze various sources and determine a solution. Connect also comes with LearnSmart, an adaptive questioning tool proven to increase content comprehension and student results, as well as fun interactivities like In their Shoes and Applying the Perspectives that teach sociology's three theoretical frameworks. Finally, make sure students come prepared to class by assigning our many e-book activities. With McGraw-Hill's digital tools, focus on what you do best—teaching. Unique to this program, Sociology in Modules 2e has the most flexible content on the market. Instead of losing students in chapters that are long, unspecific, or out of order, customize your text and assignments with our modular approach, which breaks chapters into more manageable, topic-focused sections. Sociology in Modules' flexible content coupled with powerful digital learning tools makes this an ideal choice for your introductory course.

NOTE: You are purchasing a standalone product; MySocLab® does not come packaged with this content. If you would like to purchase both the physical text and MySocLab, search for ISBN-10: 0134126963 / ISBN-13: 9780134126968. That package includes ISBN-10: 0133770990 / ISBN-13: 9780133770995 and ISBN-10: 0133842983 / ISBN-13: 9780133842982. MySocLab should only be purchased when required by an instructor. For courses in Race and Ethnic Relations Understand the changing dynamics of the U.S. population Understanding race and ethnic relations is essential to understanding the United States - where we've been as well as where we're going. Throughout the fourteenth edition of Racial and Ethnic Groups, author Richard T. Schaefer helps students view race and ethnic relations in a socio-historical context, so they can understand the past and best shape the future. The text's student-friendly framework is packed with engaging first-person accounts that illuminate the changing dynamics of the U.S. population, and reveal the stories behind these changes. Incorporating the latest statistics and data, Racial and Ethnic Groups enables educators to stay current in this ever-changing area of study. Also available with MySocLab MySocLab for the Race and Ethnicity course extends learning online, engaging students and improving results. Media resources with assignments bring concepts to life, and offer students opportunities to practice applying what they've learned. And the Writing Space helps educators develop and assess concept mastery and critical thinking through writing, quickly and easily. Please note: this version of MySocLab does not include an eText. Racial and Ethnic Groups, Fourteenth Edition is also available via REVEL(tm), an immersive learning experience designed for the way today's students read, think, and learn. Learn more.
