Sonderkommandos (German: [ʔzʔndʔkʔʔmando], special unit) were work units made up of German Nazi death camp prisoners. They were composed of prisoners, usually Jews, who were forced, on threat of their own deaths, to aid with the disposal of gas chamber victims during the Holocaust.

This is a unique, eye-witness account of everyday life right at the heart of the Nazi extermination machine. Slomo Venezia was born into a poor Jewish-Italian community living in Thessaloniki, Greece. At first, the occupying Italians protected his family; but when the Germans invaded, the Venezias were deported to Auschwitz. His mother and sisters disappeared on arrival, and he learned, at first with disbelief, that they had almost certainly been gassed. Given the chance to earn a little extra bread, he agreed to become a 'Sonderkommando', without realising what this entailed. He soon found himself a member of the 'special unit' responsible for removing the corpses from the gas chambers and burning their bodies. Dispassionately, he details the grim round of daily tasks, evokes the terror inspired by the man in charge of the crematoria, 'Angel of Death' Otto Moll, and recounts the attempts made by some of the prisoners to escape, including the revolt of October 1944. It is usual to imagine that none of those who went into the gas chambers at Auschwitz ever emerged to tell their tale - but, as a member of a 'Sonderkommando', Shlomo Venezia was

given this horrific privilege. He knew that, having witnessed the unspeakable, he in turn would probably be eliminated by the SS in case he ever told his tale. He survived: this is his story. Published in association with the United States Holocaust Memorial Museum.

The Sonderkommando—the “special squad” of enslaved Jewish laborers who were forced to work in the gas chambers and crematoria of Auschwitz-Birkenau—comprise one of the most fascinating and troubling topics within Holocaust history. As eyewitnesses to and unwilling abettors of the murder of their fellow Jews, they are the object of fierce condemnation even today. Yet it was a group of these seemingly compromised men who carried out the revolt of October 7, 1944, one of the most celebrated acts of Holocaust resistance. This interdisciplinary collection assembles careful investigations into how the Sonderkommando have been represented—by themselves and by others—both during and after the Holocaust.

«Cada día quería morir... y cada día luchaba por sobrevivir» Shlomo Venezia, superviviente de Auschwitz El campo de concentración de Auschwitz es el sinónimo del mal absoluto que el nazismo preconizó. Los judíos y gitanos sirvieron como cobayas para la experimentación diabólica de los nazis, gaseando a más de un millón de personas y matando de hambre, frío, agotamiento o, simplemente, de soledad y desesperanza. Sin embargo, muchos presos resistieron a la total deshumanización del campo esforzándose por mantener la dignidad. Cuidar la higiene, escribir o dibujar eran actos que ayudaban a sobrevivir. Esther Mucznik cuenta a través de las voces de aquellos que sobrevivieron al infierno de Auschwitz el insoportable silencio tras los asesinatos de niños, la barbarie de la experimentación médica sobre miles de hombres y mujeres o la lucha por sobrevivir en un campo de horror y muerte. Estos son los relatos que deben servir para mantener viva la memoria de aquellos que sucumbieron a la maquinaria del terror nazi.

An authoritative account of the operation of the Auschwitz death camp. . . a comprehensive work that is unlikely to be overtaken for many years. This learned volume is about as chilling as historiography gets. . . a vital contribution to Holocaust studies and a bulwark against forgetting. . . Publishers Weekly . . . Rigorously documented, brilliantly written, organized, and edited . . . the most authoritative book about a place of unsurpassed importance in human history. . . John K. Roth . . . Never before has knowledge concerning every aspect of Auschwitz . . . been made available in such authority, depth, and comprehensiveness. . . Richard L. Rubenstein . . . Leading scholars from the United States, Israel, Poland, and other European countries provide the first comprehensive account of what took place at the Auschwitz death camp. Principal sections of the book address the institutional history of the camp, the technology and dimensions of the genocide carried out there, the profiles of the perpetrators and the lives of the inmates, underground resistance and escapes, and what the outside world knew about Auschwitz and when. Published in association with the United States Holocaust Memorial Museum, Washington, D.C.

Based on exclusive and unrestricted access to more than 5,000 pages of personal writings and family photos, this definitive biography of German physician and SS-Hauptsturmführer Josef Mengele (1911-1979) probes the personality and motivations of Auschwitz's "Angel of Death."

From May 1943 through January 1945, Mengele selected who would be gassed immediately, who would be worked to death, and who would serve as involuntary guinea pigs for his spurious and ghastly human experiments (twins were Mengele's particular obsession). With authority and insight, Mengele examines the entire life of the world's most infamous doctor.

"Superbly written and breathtakingly researched, *The Volunteer* smuggles us into Auschwitz and shows us--as if watching a movie--the story of a Polish agent who infiltrated the infamous camp, organized a rebellion, and then snuck back out. We are squarely confronted with the other human truth: ordinary people will happily risk their lives to help others. Fairweather has dug up a story of incalculable value and delivered it to us in the most compelling prose I have read in a long time." --Sebastian Junger, bestselling author of *The Perfect Storm* and *Tribe* The incredible true story of a Polish resistance fighter's infiltration of Auschwitz to sabotage the camp from within, and his death-defying attempt to warn the Allies about the Nazis' plans for a "Final Solution" before it was too late. To uncover the fate of the thousands being interred at a mysterious Nazi camp on the border of the Reich, a thirty-nine-year-old Polish resistance fighter named Witold Pilecki volunteered for an audacious mission: assume a fake identity, intentionally get captured and sent to the new camp, and then report back to the underground on what had happened to his compatriots there. But gathering information was not his only task: he was to execute an attack from inside--where the Germans would least expect it. The name of the camp was Auschwitz. Over the next two and half years, Pilecki forged an underground army within Auschwitz that sabotaged facilities, assassinated Nazi informants and officers, and gathered evidence of terrifying abuse and mass murder. But as he pieced together the horrifying truth that the camp was to become the epicenter of Nazi plans to exterminate Europe's Jews, Pilecki realized he would have to risk his men, his life, and his family to warn the West before all was lost. To do so, meant attempting the impossible--an escape from Auschwitz itself. Completely erased from the historical record by Poland's post-war Communist government, Pilecki remains almost unknown to the world. Now, with exclusive access to previously hidden diaries, family and camp survivor accounts, and recently declassified files, Jack Fairweather offers an unflinching portrayal of survival, revenge and betrayal in mankind's darkest hour. And in uncovering the tragic outcome of Pilecki's mission, he reveals that its ultimate defeat originated not in Auschwitz or Berlin, but in London and Washington.

Os últimos dias da Segunda Guerra Mundial marcaram o destino de muitos simpatizantes do regime nazista, enquanto alguns cometeram suicídio ou viveram no anonimato, o oficial SS Jürgen Frank Bergenthal atravessou a Europa até chegar em Buenos Aires, carregando uma imensa fortuna em barras de ouro, obras de arte e joias confiscadas, além dos muitos segredos das atrocidades cometidas. Tempos depois ele passou a ser vítima da perseguição por parte dos seus ex-parceiros e também dos sobreviventes das famílias dizimadas para o acerto de contas, mas conseguiu viver no anonimato por alguns anos até se apaixonar por uma linda brasileira. Consciente do perigo que estava correndo e o desejo de constituir uma família, fugiu para o Brasil em companhia dela. Morando em São Paulo, passou a trabalhar em uma livraria para sutilmente demonstrar ter uma vida normal e esconder sua verdadeira identidade. Nem mesmo a sua amada conhecia a história desse cruel nazista e todos que ousaram atravessar o seu caminho se surpreenderam com o seu próprio destino. Leon, filho único do casal, viveu muitas situações misteriosas até que levado pela curiosidade em saber mais sobre o seu passado criou coragem para ler o diário do pai. A partir daí, entre traições, segredos, enigmas, assassinatos e lugares secretos, muitas coisas foram esclarecidas e as novas descobertas levaram à caça ao tesouro do SS, o que gerou muitos conflitos. Tudo isso sob o olhar atento dos protetores e também dos caçadores de nazistas.
