"A passionate, fast-paced story set in the untamed western frontier by an exciting new voice in historical romance." Niall MacLaren is the

oldest of four brothers, and the undisputed leader of the family. A widower, and single father, his focus is on building the MacLaren ranch into the largest and most successful in northern Arizona. He is serious about two things—his responsibility to the family and his future marriage to the wealthy, well-connected widow who will secure his place in the territory's destiny. Katherine is determined to live the life she's dreamed about. With a job waiting for her in the growing town of Los Angeles, California, the young teacher from Philadelphia begins a journey across the United States with only a couple of trunks and her spinster companion. Life is perfect for this adventurous, beautiful young woman, until an accident throws her into the arms of the one man who can destroy it all. Fighting his growing attraction and strong desire for the beautiful stranger, Niall is more determined than ever to push emotions aside to focus on his goals of wealth and political gain. But looking into the clear, blue eyes of the woman who could ruin everything, Niall discovers he will have to harden his heart and be tougher than he's ever been in his life...Tougher than the Rest.

Why buy when you can create to taste? The hottest kitchen gadgets are machines that transform ordinary tap water into sparkling water. Best of all, that freshly carbonated water makes a great base for flavoured sodas, delicious cocktails, and even yummy dessert drinks that everyone will love. These 100 sparkling recipes—including a Classic Bourbon Smash, Lemon Sangria, Espresso Soda Float and Pineapple Mint Soda—let you create a homemade syrup, customise your drink, use ingredients you trust and get creative with your mixology.

The Cornell note taking method is a widely known recognized system commonly taught to university students since it's a perfect book to use for categorizing and organizing notes. Divided into two columns, the right column covers note-taking while attempting to answer questions/keywords in the cue/left column. The summary then allows for reflection on the material. With its note-organization features, it is not only very popular with students, but also at work since you can use it to conquer meetings, write lectures, other important documents and notes and so much more. Succeed for Yourself, he draws on his vast experience. He also shares with you the guiding principles that have enabled him to achieve success, wealth and happiness in his own life. Packed with common-sense advice and inspiring ideas, Succeed for Yourself takes you on a journey of self-discovery by showing you how to: believe in yourself; set goals - and achieve them; overcome setbacks and rejection; become highly motivated; find happiness at home and at work. Richard Denny truly believes that everybody has the potential within them for achieving success, wealth and happiness. The power of his message resonates with people from all walks of life, and now is your chance to put his ideas into practice.

In today's world we are bombarded with information. Our brains are overloaded with messages from family, friends, coworkers, neighbors, church members, and the media. Some messages are good, and some messages are bad. But amidst all of the clutter, God calls us to think about Him and keep our eyes fixed on the things of heaven. Think on These Things helps readers do just that-focus on the Word of God and its sure promises. Author Velma Beavon shares her thoughts on life and some of the experiences she has had on her own spiritual journey. Through stories and Bible and Spirit of Prophecy quotes, she urges readers to deepen their spiritual walk with the Lord. Think on These Things also contains a chapter dedicated to providing an overview of each book of the Bible, providing a wonderful picture of the history of the Bible and its most important messages. As Philippians 4:8 urges us to do, "think on these things."
