The prospect of being watched by millions of viewers around the globe can be terrifying. What impression do you want to make on a global audience? Will it raise or lower your company's value? Will it open new partnerships for you? An executive who exudes confidence and authority will build a stronger and more profitable brand. This best-selling book's unique approach to crafting an on-camera presence was developed from time-tested insight. It provides a powerful, yet easy, step-by-step guide for top executives and aspiring professionals to take control of their image. Content Included: * Choosing the Right Outfit for Your Next Camera Appearance * Develop Color Consciousness and Learn Makeup Basics * Capitalize on Body Language and Build Confidence * 23 Quick Tips for TV Success The author distills from years of camera-facing anchoring of news and special reports on Bloomberg TV, CNBC and other networks. And from over a thousand interviews conducted, he has seen every conceivable mistake committed by the interviewees. Leave nothing to chance. Meet your new persona in The Art of Executive Appearance.

Are you “leadership material?” More importantly, do others perceive you to be? Sylvia Ann Hewlett, a noted expert on workplace power and influence, shows you how to identify and embody the Executive Presence (EP) that you need to succeed. You can have the experience and qualifications of a leader, but without executive presence, you won't advance. EP is an amalgam of qualities that true leaders exude, a presence that telegraphs you're in charge or deserve to be. Articulating those qualities isn't easy, however. Based on a nationwide survey of college graduates working across a range of sectors and occupations, Sylvia Hewlett and the Center for Talent Innovation discovered that EP is a dynamic, cohesive mix of appearance, communication, and gravitas. While these elements are not equal, to have true EP, you must know how to use all of them to your advantage. Filled with eye-opening insights,

Download File PDF The Art Of Executive Appearance 5 Simple Ways To Impress On Camera And Inspire A Global Television

analysis, and practical advice for both men and women, mixed with illustrative examples from executives learning to use the EP, Executive Presence will help you make the leap from working like an executive to feeling like an executive.

The number of incidents and crimes carried out by terrorists and criminals, such as physical threats, violent attacks, assassinations, kidnapping and hostage situations are increasing by the minute worldwide. Each incident is a constant and ever demanding challenge to the law enforcement and the personal security professionals in particular. A detailed, but understandable manual for the Executive Protection Officer is a priority and the answer to those challenging situations. The Fine Art of Executive Protection is a detailed, but understandable manual for the Executive Protection Officer providing answers to those challenging situations. Information about every aspect of executive protection is not only an important part of the professional's training curriculum, but plays also a vital role for the client, who seeks protection. This manual will provide a clear view of all aspects not only for the professional, but also for prospect clients. To make sure of this all available training and study material, individual case studies and real scenarios combined with professional experience served as a foundation for this specialist's manual. The Fine Art of Executive Protection in its comprehensive and straight- forward form will guide the reader through the diversity of disciplines and skills, which are essential for any professional of the executive protection and private security sector. This book provides detailed information and knowledge, necessary and indispensable not only for the novice, but also for the experienced executive protection professional. It provides the clear knowledge and a thorough understanding of the characteristics, diversity and demands of this profession. It contains all the essential ingredients, necessary for an effective protection planning and successful service, demanded by any

Download File PDF The Art Of Executive Appearance 5 Simple Ways To Impress On Camera And Inspire A Global Television

Executive protection specialist. Providing all the tools, techniques and applications needed for this specific job, it also shall motivate some talents, which may need to be developed further and to face not only today's protection needs, but also those of the future. The book not only contains detailed professional information for the person seeking a post in the "glamorous world" of the executive protection- business but also provides all the information necessary for those under threat and in need of close protection and a secure environment. A protection- seeking client will find detailed information about Executive Protection and Physical Security. Executive or Personal Protection, was once considered a service only and exclusive for the rich, famous and a few selected government officials. But recent events and an increase in violence, quickly transformed Executive Protection into a sought after service- commodity worldwide. Keeping this in mind, any part of this guide is therefore easily adaptable and adjusted to any region or country in the world. However, one must carefully consider and act within the local laws to assure a successful protection service.

BRING THE TECHNIQUES OF THE STAGE TO THE BOARDROOM. For more than a decade, Belle Linda Halpern and Kathy Lubar have applied the lessons and expertise they have learned as performing artists to the work of their company, The Ariel Group. Halpern and Lubar have helped tens of thousands of executives at major companies around the country and the globe, including General Electric, Mobil Oil, Capital One, and Deloitte. In Leadership Presence, they make their time-tested strategies available to everyone, from high-profile CEOs to young professionals seeking promotion. Their practical, proven approach will enable you to develop the skills necessary to inspire confidence, command respect, build credibility, and motivate others. Halpern and Lubar teach you:

- How to handle tough situations with heightened confidence and flexibility
- How to build your relationships to enhance

Download File PDF The Art Of Executive Appearance 5 Simple Ways To Impress On Camera And Inspire A Global Television

collaboration and business development • How to express yourself dramatically and motivate others • How to integrate your personal values into communication to inspire others and become a more effective leader Learning the skills of the true performance experts, readers will understand why Leadership Presence is the key to dynamic and authentic leadership.

Draws on real-life stories and figures, including Martin Luther King, Jr. and Steve Jobs, to examine the qualities a good leader requires in order to inspire and motivate people.

Do you exude confidence and credibility? Can you command a room? Sylvia Ann Hewlett, one of the world's most influential business thinkers, cracks the code of Executive Presence (EP) for men and women intent on winning the next plum assignment and doing something extraordinary with their lives. You might have the qualifications to be considered for your dream job, but you won't get far unless you can signal that you're "leadership material" and that you "have what it takes." Professionals are judged on presence as well as on performance. Using a wealth of hard data—including a new nationwide survey and dozens of focus groups—Hewlett reveals EP to be a dynamic mix of three things: how you act (gravitas), how you speak (communication), and how you look (appearance). She also draws on in-depth interviews with a wide selection of admired leaders to reveal how they embody and deploy key elements of EP. This book is immensely practical. Hewlett teases out tactics that can help you raise your game and close the gap between merit and success. She offers the unvarnished advice you won't get from supportive friends and tackles head-on such touchy subjects as too-tight clothing and too-shrill voices. She shows how the standards for EP vary for men, women, multicultural, and LGBT employees, and she shares how to get meaningful feedback from politically correct bosses intent on avoiding the real issues.

Download File PDF The Art Of Executive Appearance 5 Simple Ways To Impress On Camera And Inspire A Global Television

The good news is that EP is eminently teachable. You can learn how to "show teeth" while remaining likable, and you can teach yourself how to dress appropriately while staying true to yourself. You don't have to be born with the voice of James Earl Jones or the looks of Angelina Jolie to hurdle the EP bar. With hard facts and vivid examples, Hewlett shows you how to ace EP and fully realize your unique potential—no matter who you are, no matter where you work.

Kissing is an art form. A great kiss can stop traffic, start a five-alarm fire, and feel like Times Square on New Year's Eve. Get your smooch on with all the different tricks and tips in this handy guide.

Bestselling author and columnist Violet Blue helps readers choose — and perfect — their very own unforgettable kissing style. Learn how to time a kiss perfectly, how to deliver (and receive) a first kiss, and how to ask for kisses with body language. You know charisma when you see it in executives who exude self-confidence, style, composure, authority, and a boundless energy that propels them straight into the corner office. You work just as hard, contribute just as much; you're talented and ambitious, but what can you do? You're either born with charisma, or you're not, right? Wrong! In *Executive Charisma*, bestselling author and world-renowned executive development coach D. A. Benton demonstrates that charismatic executives are not just born, they are made -- and she introduces a proven six-step program for transforming yourself from a competent manager into a true leader. You'll learn how to think, act, and communicate like a C-level executive (CEO, CFO, CIO, etc.), and you'll discover powerful tools for developing and fine-tuning the complete executive charisma skill set. Drawing on interviews with more than 500 of the world's leading executives and studies conducted by dozens of leading universities and research centers, Benton reveals that people skills account for 85 percent of why we get, keep, and move ahead in our jobs. The leaders who make it to the very top are those who work as hard at mastering the human side of management as they do at mastering the technical side. *Executive Charisma* shows you how to do the same. With the help of this no-nonsense guide, you'll improve your interpersonal communication skills, learn how to manage upward, and find ways to project confidence even when you're feeling insecure. You'll discover how to use humor to put others at ease, develop an impressive executive bearing, and master the art of managing up. If you yearn to go beyond survival and just getting by, to take charge of your life, your career, and your destiny, stop dreaming and get to work. Read *Executive Charisma*, master the Sacred Six Steps, and infuse your climb up the corporate ladder with momentum and direction. You'll be amazed how much fun real success can be. Book jacket.

We all know one hard and undeniable truth: Physical beauty comes with tremendous power, and

Download File PDF The Art Of Executive Appearance 5 Simple Ways To Impress On Camera And Inspire A Global Television

tremendous benefits. Those who possess it are generally luckier in love, more likely to be popular, and more apt to get better grades in school. But very few of us realize just how much looks affect every aspect of our lives. Recent studies document that people blessed with good looks earn about 10% more than their average-looking colleagues. They are also more likely to get hired and promoted at work. What exactly is this “physical attractiveness” phenomenon and how does it affect each and every one of us? Dr. Gordon L. Patzer has devoted the last 30 years to investigating this unsettling phenomenon for both women and men, and how it touches every part of our lives. In *Looks*, he reveals not only its impact on romance, but also on family dynamics, performance in school, career, courtroom proceedings, politics and government. *Looks* is the first book to explore how the power of beauty affects both sexes and how the rise of reality TV shows, cosmetic surgery, and celebrity culture have contributed to our culture’s overall obsession with being beautiful. Unflinching and topical, *Looks* uncovers the sometimes ugly truth about beauty and its profound effects on all of our lives.
