"Hosts of all kinds, this is a must-read!" --Chris Anderson, owner and curator of TED From the host of the New York Times podcast Together Apart, an exciting new approach to how we gather that will transform the ways we spend our time together--at home, at work, in our communities, and beyond. In The Art of Gathering, Priya Parker argues that the gatherings in our lives are lackluster and unproductive--which they don't have to be. We rely too much on routine and the conventions of gatherings when we should focus on distinctiveness and the people involved. At a time when coming together is more important than ever, Parker sets forth a human-centered approach to gathering that will help everyone create meaningful, memorable experiences, large and small, for work and for play. Drawing on her expertise as a facilitator of high-powered gatherings around the world, Parker takes us inside events of all kinds to show what works, what doesn't, and why. She investigates a wide array of gatherings--conferences, meetings, a courtroom, a flash-mob party, an Arab-Israeli summer camp--and explains how simple, specific changes can invigorate any group experience. The result is a book that's both journey and guide, full of exciting ideas with real-world applications. The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

The Art of Gathering will forever alter the way you look at your next meeting, industry conference, dinner party, and backyard barbecue--and how you host and attend them.

We spend our lives gathering-- first in classrooms and then in meetings, weddings, conferences and away days. Yet so many of us spend this time in underwhelming moments that fail to engage us, inspire us, or connect us. We've all sat in meetings where people talk past each other or go through the motions and others which galvanize a team and remind everyone why they first took the job. We've been to weddings that were deeply moving and others that were run-of-the-mill and simply faded away. Why do some moments take off and others fizzle? What's the difference between the gatherings that inspire you and the ones that don't? In The Art of Gathering, Priya Parker gets to the heart of these questions and reveals how to design a transformative gathering. An expert on organizing successful gatherings: whether in conference centres or her living room, Parker shows us how to create moving, magical, mind-changing experiences - even in spaces where we've come to expect little.

Lois Lowry once again creates a mysterious but plausible future world. It is a society ruled by savagery and deceit that shuns and discards the weak. Left orphaned and physically flawed, young Kira faces a frightening, uncertain future. Blessed with an almost magical talent that keeps her alive, she struggles with ever broadening responsibilities in her quest for truth, discovering things that will change her life forever. As she did in THE GIVER, Lowry challenges readers to imagine what our world could become, how people could evolve, and what could be considered valuable. Every reader will be taken by Kira ' s plight and will long ponder her haunting world and the hope for the future.

Bring People Together! Strong communities help people support one another, share their passions, and achieve big goals. And such communities aren't just happy accidents—they can be purposefully cultivated, whether they're in a company, in a faith institution, or among friends and enthusiasts. Drawing on 3,000 years of history and his personal experience, Charles Vogl lays out seven time-tested principles for growing enduring, effective, and connected communities. He provides hands-on tools for creatively adapting these principles to any group—formal or informal, mission driven or social, physical or virtual. This book is a guide for leaders seeking to build a vibrant, living entity that will greatly enrich its members' lives.

Nonprofits leaders are optimistic by nature: they believe with time, energy, smarts, strategy and sheer will, they can change the world. But too many cooks, not enough money, an abundance of passion, can make you feel there are too many obstacles to overcome. Garry shows you how to build a powerhouse board, create an impressive and sustainable fundraising program, renew your passion for your mission and organization, and become a bigger difference in the world.

A photographic tribute to the Berkeley restaurant traces its cultural history through the stories of its famous proprietress and her personal and professional friends, celebrating the restaurant's tradition of gathering around the table and its pioneering sustainable foods practices.

NEW YORK TIMES BESTSELLER WASHINGTON POST BESTSELLER Winner of the getAbstract 17th International Book Award "The Seventh Sense is a concept every businessman, diplomat, or student should aspire to master—a powerful idea, backed by stories and figures that will be impossible to forget." -- Walter Isaacson, author of Steve Jobs and Leonardo da Vinci Endless terror. Refugee waves. An unfixable global economy. Surprising election results. New billion-dollar fortunes. Miracle medical advances. What if they were all connected? What if you could understand why? The Seventh Sense is the story of what all of today's successful figures see and feel: the forces that are invisible to most of us but explain everything from explosive technological change to uneasy political ripples. The secret to power now is understanding our new age of networks. Not merely the Internet, but also webs of trade, finance, and even DNA. Based on his years of advising generals, CEOs, and politicians, Ramo takes us into the opaque heart of our world's rapidly connected systems and teaches us what the losers are not yet seeing--and what the victors of this age already know.

There are few joys in life quite like gathering friends and family around the table for a special meal. One of the best parts of making good food is being able to share it with others. With a little bit of thoughtful planning, it can be effortless to entertain your guests and host an incredible meal. However, the true art of paleo entertaining is creating a delicious and satisfying menu that will also promote good health. In Gather, the Art of Paleo Entertaining, Hayley and Bill show you how to orchestrate the perfect dinner party—whether you are planning an elegant holiday feast or hosting a casual brunch with friends. Gather, the Art of Paleo Entertaining includes: 17 elegant menu spreads 100 delicious dishes perfect for any party Over 300 beautiful color photos Tips and tricks to make entertaining fun and effortless Thoughtful ideas on how to prepare dishes while enjoying the party you're hosting Shortcuts and sequencing suggestions to time everything just right With sixteen creative occasions for gathering, the book acts as your guide to planning any type of menu. Each spread lays out the essential ingredients for success: carefully selected dishes, photos of each recipe, shopping lists for the meal, and even tips to streamline your meal preparations. Gather is filled with recipes of all types and a wealth of vibrant photos to inspire you long after your last bite. Regardless of your skill level in the kitchen, Gather brings all of the planning elements together to make entertaining fun, relaxing, and most importantly: delicious!
