The battles of life need not intimidate you. All the way through history God's people have faced obstacles and challenges. The book of Numbers is about how God's people prepare for battle. In Exodus we see Israel as a liberated people. In Leviticus we see Israel as a holy people. In Numbers we see Israel as a fighting force. In the chapters for today we see a military emphasis that sets the tone for the whole book.

Quality of life is a regular consideration for those living with a long-term illness or disease, and indeed for those who have recently recovered from an illness too. The perpetual round of questions as to how a new reality may match up to a previous life is something that has the capacity to torment many people with long-term illnesses, including those living with HIV.

Christoper Alexander's always controversial work raises issues critical to regenerating the environment and creating a new culture for building--and rebuilding--our cities, neighborhoods, buildings, and gardens. Demonstrates the application of Alexander's theories and methods to a large-scale project and shows how architecture can bring life to a community. The creative processes described in the book are

Many times in life, we seem to battle with the same debilitating issues—from negative habits, thoughts, or emotions, to fears, triggered-reactions, and other matters that adversely affect us. Is there any way to break free from the patterns that bind us, short-circuit us, or leave us in a place we really don't want to be? Just as God has a plan for your life and strategies to help you, Satan has also crafted specifically-targeted schemes designed just for you. In *Battle for Your Life*, Pastor Joe Warner will take you into the Word of God, exposing the enemy's schemes and revealing the answers to the issues that keep showing up in your life. You will learn how to get to the root of those schemes, understand them, and annihilate their effects! Warner has spent three decades successfully ministering these truths to thousands of people around the world—those who were once

Guy Mayfield was the Station Chaplain at RAF Duxford during the Battle of Britain. His diary is a moving account of the war fought by the young pilots during that summer of 1940, providing a unique and intimate insight into one of the most pivotal moments in British history. Frequently speaking to pilots who knew they may not survive the next 24 hours, Mayfield’s diary provides a vivid account of the fears and hopes of the young men who risked their lives daily for the defense of Britain. Interspersed with photographs of the men and contextual narrative by IWM historian Carl Warner, this book brings a compelling and direct new perspective to this historic battle.
