"A crime novel of the very first order."—David Baldacci In Fiona Cummins' new novel of taut psychological suspense, an elusive psychopath meets his match in a detective who's just as ruthless—a woman who knows all too well that the best mind games are played in the dark . . . It was only months ago that Detective Sergeant Etta Fitzroy was held captive by serial killer Brian Howley. Incredibly, she escaped. But so did he. What was found in the macabre museum Howley called home was unnerving enough. For Fitzroy, what the Butcher of Bromley didn't leave behind chills her to the bone: not a single trace of his most recent abductee. All Fitzroy wants to know now is . . . dead or alive, where is the girl? Hiding in plain sight with a new name and a new identity, Howley is making plans for an ingenious new start, and he's daring Fitzroy to come along. Clue by terrifying clue, she's following in a killer's footsteps, but even she can't imagine where they'll lead. Because Howley's endgame has a terrifying twist—one that will not only change his fate, but the fate of everyone Fitzroy is risking her life to protect. Praise for Rattle "Harrowing and horrifying."—Val McDermid "Up there with the best of them . . . an exceptionally creepy psychopathic killer." —The Times "Gripping. A total page-turner."—D E Meredith "Left me breathless with fear."—Michelle Davies

In this twisty thriller from the New York Times bestselling master of suspense, reward-seeker Colter Shaw infiltrates a sinister cult after learning that the only way to get somebody out . . . is to go in. In the wilderness of Washington State, expert tracker Colter Shaw has located two young men accused of a terrible hate crime. But when his pursuit takes a shocking and tragic turn, Shaw becomes desperate to discover what went so horribly wrong and if he is to blame. Shaw's search for answers leads him to a shadowy organization that bills itself as a grief support group. But is it truly it a community that consoles the bereaved? Or a dangerous cult with a growing body count? Undercover, Shaw joins the mysterious group, risking everything despite the fact that no reward is on offer. He soon finds that some people will stop at nothing to keep their secrets hidden . . . and to make sure that he or those close to him say "goodbye" forever.

An anthology of short fiction includes "The Christmas Present," a holiday tale featuring Lincoln Rhyme, as well as "Gone Fishing," "Triangle," "The Kneeling Soldier," and "Without Jonathan."

Now a major television series starring Russel Hornsby, Arielle Kebbel, and Michael Imperioli, "Lincoln Rhyme is more relentless than ever" (People) and Jeffery Deaver delivers "supercharged tension" (USA TODAY) in this New York Times bestselling suspense masterwork. NYPD criminalist Lincoln Rhyme joins his brilliant protégé Amelia Sachs, in the hunt for the Coffin Dancer—an ingenious killer who changes his appearance even faster than he adds to his trail of victims. They have only one clue: the madman has a tattoo of the Grim Reaper waltzing with a woman in the front of a coffin. Rhyme must rely on his wits and intuition to track the elusive murderer through New York City—knowing they have only forty-eight hours before the Coffin Dancer strikes again. Coffin Dancer is a "heart-stopping" (Booklist) thriller from #1 international bestselling author Jeffery Deaver's "simply outstanding" (San Jose Mercury News) Lincoln Rhyme series.

Fiona Cummins delves into the seam of darkness that runs through us all as a detective hunts down a twisted killer with a macabre obsession. . . . On still nights, when the curve of a winter moon is smudged in the flow of the River Quaggy, the dead clamor for him. And sometimes he coaxes the living to join them. To other people, his victims might be mere medical oddities. To him, they are fascinating specimens, worthy of display. Above all, he is a collector, eager for recognition even as he hides in the shadows. Detective Sergeant Etta Fitzroy is the first to recognize the connection between the disappearance of a young girl and a cold case that almost cost her the career she's sacrificed so much for. A faceless psychopath is walking the streets of London, tantalizing the authorities with clues, taunting them with his ability to spirit his victims out from under their very noses. Better than anyone, Etta Fitzroy understands loss. But this is one contest she will win if it kills her . . . "A gem of a scary debut." —The Times "A thriller that is capable of keeping you up all night—and then haunting your dreams." —Daily Mail "A terrific read!" —Val McDermid "As heartrending as it is gripping." —Crime Scene

In Kansas, fleeing killers kidnap a bus with deaf girls and hole up in a slaughterhouse. They kill one girl and threaten to kill the rest if their demands are not met. The 12-hour siege by the FBI becomes a media circus, exploited by politicians and competing police departments. By the author of Playing for Sleep.

Lincoln Rhyme and his partner Amelia Sachs return in this gripping thriller to investigate the assassination of a U.S. citizen in the Bahamas. It was a "million-dollar bullet," a sniper shot delivered from over a mile away. Its victim was no ordinary mark: he was Robert Moreno, a man known to have strong anti-American sympathies, and seemingly assassinated by the US government. The nation's most renowned investigator and forensics expert, Lincoln Rhyme, is drafted to investigate. While his partner, Amelia Sachs, traces the victim's steps in Manhattan, Rhyme leaves the city to pursue the sniper himself. As details of the case start to emerge, the pair discovers that not all is what it seems. When a deadly, knife-wielding assassin begins systematically eliminating all evidence—including the witnesses-Lincoln's investigation turns into a chilling battle of wits against a cold-blooded killer.

THE NEW YORK TIMES BESTSELLER Investigator Elvis Cole and his partner Joe Pike take on the deadliest case of their lives in the new masterpiece of suspense from #1 New York Times-bestselling author Robert Crais. It seemed like a simple case—before the bodies started piling up... When single-mother Devon Connor hires Elvis Cole, it's because her troubled teenage son Tyson is flashing cash and she's afraid he's dealing drugs. But the truth is devastatingly different. With two others, he's been responsible for a string of high-end burglaries, a crime spree that takes a deadly turn when one of them is murdered and Tyson and his girlfriend disappear. They stole the wrong thing from the wrong man, and, determined to get it back, he has hired two men who are smart and brutal and the best at what they do. To even the odds, Cole brings in his friend Joe Pike, but even the two of them together may be overmatched. The police don't want them anywhere near the investigation, the teenagers refuse to be found, and the hired killers are leaving a trail of bodies in their wake. Pretty soon, they'll find out everything they need to know to track the kids down—and then nothing that Elvis or Joe can do may make any difference. It might even get them killed.
