It is the story of Adolf Hitler's childhood as seen through the eyes of Dieter, a demon sent to put him on his destructive path. The novel explores the idea that Hitler was the product of incest. It forms a thematic contrast with the writer's immediately previous novel The Gospel According to the Son (1999), which deals with the early life of Jesus.

The Castle in the Forest - Wikipedia

The Castle in the Forest by Norman Mailer Astonishing Insight on the Nature Good and Evil This is a wonderful book to treasure and reflect upon. The precision of the writing makes it easy to read while the intensity of the psychological analysis gives the reader a lot to ponder.

The Castle in the Forest is not about the barbaric individual who caused the extermination of millions, but is rather the story of a child within his family. The insights into the life Hitler led...

Review: The Castle in the Forest by Norman Mailer

" The Castle in the Forest " is a story about simple folk and good pagan brutes from the muddy barnyard, a tale narrated by a devil whose voice is soft as the silk of a sleeve, and written in ...

The Castle in the Forest By Norman Mailer - Books - Review ...

St Briavels Castle is a moated Norman castle at St Briavels in the English county of Gloucestershire. The castle is noted for its huge Edwardian gatehouse that guards the entrance. St Briavels Castle was originally built between 1075 and 1129 as a royal administrative centre for the Forest of Dean. During the 13th century the castle became first a favourite hunting lodge of King John, and then the primary centre in England for the manufacture of quarrels, large numbers of which were required for

St Briavels Castle - Wikipedia

The Castle in the Forest, his last novel, was his eleventh New York Times bestseller. His first novel, The Naked and the Dead, has never gone out of print. His 1968 nonfiction narrative, The Armies of the Night, won the Pulitzer Prize and the National Book Award.

The Castle in the Forest: A Novel by Mailer, Norman and a great selection of related books, art and collectibles available now at AbeBooks.co.uk.

A mysterious SS man offers an insightful glimpse of the life and career of Adolf Hitler, revealing a unique perspective on his family, his childhood and adolescence, and the evolution of the man who became the personification of evil, in a panoramic novel that explores the essence of the struggle between good and evil that exists in us all. Reprint. 75,000 first printing.

Menehetel I rises from peasant stock to become a harem overlord between the reigns of Ramses II and Ramses IX of Egypt.

Raised as blood brothers, Cotton Drake, the son of American missionaries, and Japanese-born Kiyoshi Serikawa find their friendship shattered by war and the love of the beautiful Miyuki. Reprint.

Norman Mailer fused fact and fiction to create indelible portraits of such figures as Marilyn Monroe, Gary Gilmore, and Lee Harvey Oswald. In The Gospel According to the Son, Mailer reimagines, as no other modern author has, the key character of Western history. Here is Jesus Christ ' s story in his own words: the discovery of his divinity and the painful, powerful journey to accepting and expressing it, " as if I were a man enclosing another man within. " In its brevity and piercing simplicity, it may be Mailer ' s most accessible, direct, and heartfelt work. Praise for The Gospel According to the Son " Quietly penetrating. . . [Norman Mailer ' s] gospel is written in a direct, rather relaxed English that yet has an eerie, neo-Biblical dignity. " —John Updike, The New Yorker " A book of considerable intellectual force. . . The writer ' s powerful mind works in a specialized way, not by theological argumentation but by telling or retelling a story. " —The New York Review of Books " Challenges readers on the religious right and the atheist left with equally rich interpretive tasks. " —The Dallas Morning News " An informed and believable work of fiction. . . of what may have been going through the mind of Jesus during his epic ministry. " —San Francisco Chronicle Praise for Norman Mailer " [Norman Mailer] loomed over American letters longer and larger than any other writer of his generation. " —The New York Times " A writer of the greatest and most reckless talent. " —The New Yorker " Mailer is indispensable, an American treasure. " —The Washington Post " A devastatingly alive and original creative mind. " —Life " Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. " —The New York Review of Books " The largest mind and imagination [in modern] American literature. . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book. " —Chicago Tribune " Mailer is a master of his craft. His language carries you through the story like a leaf on a stream. " —The Cincinnati Post

Norman Mailer s Later Fiction considers five works - Ancient Evenings (1983), Tough Guys Don t Dance (1984), Harlot's Ghost (1991), The Gospel According to the Son (1997), The Castle in the Forest (2007) - to examine, for the first time in a full volume, Mailer s literary maturity. Essays from esteemed scholars, Mailer s wife, and editor, discuss Mailer s modes of cultural critique, connecting his political, theological, sexual, and aesthetic insights. This book will be essential reading for all Mailer scholars and offers provocative insights in such areas as postmodern American writing, masculinity studies, and the developing interface of literary and religious studies.

One opens each new volume expecting to find the unexpected - new light on old arguments, new material, new angles. MEDIUM AEVUM

In perhaps his most important literary feat, Norman Mailer fashions an unprecedented portrait of one of the great villains—and enigmas—in United States history. Here is Lee Harvey Oswald—his family background, troubled marriage, controversial journey to Russia, and return to an " America [waiting] for him like an angry relative whose eyes glare in the heat. " Based on KGB and FBI transcripts, government reports, letters and diaries, and Mailer ' s own international research, this is an epic account of a man whose cunning, duplicity, and self-invention were both at home in and at odds with the country he forever altered. Praise for Oswald ' s Tale " America ' s largest mystery has found its greatest interpreter. " —The Washington Post Book World " Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. . . . From the American master conjurer of dark and swirling purpose, a moving reflection. " —Robert Stone, The New York Review of Books " A narrative of tremendous energy and panache; the author at the top of his form. " —Christopher Hitchens, Financial Times " The performance of an author relishing the force and reach of his own acuity. " —Martin Amis, The Sunday Times (London) Praise for Norman Mailer " [Norman Mailer] loomed over American letters longer and larger than any other writer of his generation. " —The New York Times " A writer of the greatest and most reckless talent. " —The New Yorker " Mailer is indispensable, an American treasure. " —The Washington Post " A devastatingly alive and original creative mind. " —Life " Mailer is fierce, courageous, and reckless and nearly everything he writes has sections of headlong brilliance. " —The New York Review of Books " The largest mind and imagination [in modern] American literature. . . Unlike just about every American writer since Henry James, Mailer has managed to grow and become richer in wisdom with each new book. " —Chicago Tribune " Mailer is a master of his craft. His language carries you through the story like a leaf on a stream. " —The Cincinnati Post

A haunting new novel that ratifies Martin Amis ' s standing as " a force unto himself, " as the Washington Post has attested: " There is simply no one else like him. " In the slave labour camps of the Soviet Union, conjugal visits were a common occurrence. Valiant women would travel vast distances, over weeks and months, in the hope of spending just one night with their lovers in the so-called House of Meetings. Unsurprisingly, the results of these visits were almost invariably tragic. Martin Amis ' s new novel, The House of Meetings, is about one such visit; it is a love story, gothic in timbre and triangular in shape. Two brothers fall in love with the same woman, a nineteen-year-old Jewish girl, in 1946 Moscow, a city poised for pogrom in the gap between war and the death of Stalin. The brothers are arrested, and their fraternal conflict then marinates over the course of a decade in a slave labour camp above the Arctic Circle. The destinies of all three lovers remain unresolved until 1982; but for the sole survivor, the reverberations continue into the next century. A short novel of great depth and richness, The House of Meetings finds Martin Amis at the height of his powers, in new and remarkably fictive territorial territory.
